He must give at least thirty (30) days advanced notice in writing of his intentions to resign, unless otherwise mutually agreed upon. If two-thirds of the Associational Council feel convinced, under the guidance of the Holy Spirit that there is sufficient sentiment on the part of the Association, and that it would be in the best interest of the Director of Missions and the Association to consider dissolving the relationship, the Moderator shall call a special meeting of the Director of Missions and the Executive Committee for the pur-

Minutes

of the
116th Annual Associational Meeting
of the
Little River Baptist Association

MONDAY, OCTOBER 28, 1991 - 7:00 P.M.
FELLOWSHIP BAPTIST CHURCH, LILLINGTON, NC

The Invocation was given in Spanish by Rev. Luis Manriquez, pastor of Neil's Creek Spanish Mission.

Foreign missionary in Suriname, Rev. Lester Boyd, led us in the devotional and time of prayer. His text was Ezekiel 37:11 - "witness and see the outpouring of God's Spirit."

Jerry Hicks, Associational Moderator, called the first session of the 116th Annual Meeting of the Little River Baptist Association to order.

Lincoln Faulk presented the Treasurer's Report and it was passed unanimously.

Wayne Oakes gave the Budget and Finance Report. A motion was made and passed unanimously to consider a committee's recommendation to delete $3,500 from 1992 budget (item #201) and add it to the present budget (item #201). Then a motion for the amended proposed budget to $86,685.63 with the monthly budget of $7,223.80 was unanimously adopted.

Russell Blackmon presented the Clerk's Report. There was a total attendance of 160 present - 139 messengers and 21 visitors.

The moderator presented nominations for several committees, which were unanimously accepted.

John Rogers asked for the messengers to complete and turn in the associational questionnaire by the end of the evening, as they will greatly help the Director of Missions' Search Committee in their work.

Moderator Hicks recognized the new pastors and staff in our association. Those recognized were: Rick McDuffie, pastor of First Baptist, Dunn; Jessie Mooney, pastor of Coats Baptist, Coats; and Earnie Taylor, pastor of Pleasant Memory Baptist, Coats.

A men's quartet from Westfield Baptist, Dunn ministered in song.

Frank Neville introduced to us Dr. J.W. Hutchens, Evangelism Director of the Baptist State Convention, as the featured speaker for the evening.

Dr. Hutchens preached on the meeting theme "The Priority of Personal Witnessing" using I Peter 3:15 as his text. He said we're to have a feeling for people, "indigenous in character." We don't feel the touch because we're not walking with the Lord, not sensitive. We're to be "textual in design, not by our plan, but by God's plan." He further stated that "the plan is to go, make disciples, baptize and teach. We'll have to use it as team members, not as lone rangers." Each member has its 'giftedness'. Some are prostituting their gifts - selling it to the world. Some are in the process of discovering their gift(s). And the world. And some have discovered, developed, and are using their gift. We have to be evangelistic in purpose, compassionate in practice, church-centered, church-centered, community patterned, Biblically informed and spiritually energized."

Earnie Taylor led us in the Benediction and the meeting was adjourned.

Respectfully submitted,
Russell M. Blackmon
Associational Clerk

TUESDAY, OCTOBER 29, 1991 - 3:00 P.M.
BROADWAY BAPTIST CHURCH, BROADWAY, NC

Eleanor Owen, Vice Moderator of the association, called the second session of the 116th Annual Meeting to order.

Doug Ponder opened the meeting with the Invocation.

Brenda Parker of Westfield Church, pianist for the afternoon session, led us in singing selected hymns and songs of praise.

Rev. Lester Boyd, a furloughing foreign missionary in Suriname, led us in the devotion and time of prayer. He used Matthew 9:35 and following verses as his text. He called us to recognize two very important things in this scripture passage: (1) you've never worshipped until you've prayed, and (2) being a witness. He further stated that "we have to be willing and ready in order for God to send us into the harvest field.

The Foreign Missions feature was led by Rev. Lester and Fonda Boyd. They informed us that in 1975 Suriname gained independence - "a world in miniature." They stated that America still holds 60 percent of its preachers. They requested that we pray for national leaders whose witness is resisted with the temptation and pressures being great.

During "Miscellaneous Business", Eleanor Owen urged the messengers to complete the associational questionnaire that had been distributed. She assured us that the committee will take the input received into serious consideration.

Wayne Oakes asked for several pastors to meet following supper concerning their part in the Ministers' Conference on November 4.

Danny Collins promoted an associational Youth Rally at Trinity Baptist, Angier on November 16 at 7:00 p.m. The rally will be led by "Youth With a Mission."

Earnie Taylor informed us that New Life Ministries will present the musical drama, "Never Be the Same" at Campbell University on January 7, 1992.

The Personnel Committee was asked to meet following supper at 6:45 in the church sanctuary.

Rev. Ray Stancil then reported on the Sao Paulo, Brazil/North Carolina Partnership. He stated that the command in Matthew 28:19-20 was the reason he went. After sharing other passages of scripture, Ray informed us that on September 26 six pastors, two laymen and two laywomen went to Sao Paulo. While attending a young boy's funeral, he was so honored to see friends previously made on earlier trips. Ray said that God spoke to him encouraging him that he was on the past trip to have his shoulder to be used for the people to cry on. Ray and the team also went into the schools and tried to answer questions. But God reminded Ray saying, "Ray, I'm here, I'm all you need." Mr. Stancil said that a total of 125 trips had been made to Sao Paulo since the start of the partnership, with the Little River Baptist Association completing 21 trips. He said on the last trip 130 had received Christ Jesus as Savior. Ray urged all who wanted to go next year (last year of the partnership) to attend a meeting on Sunday, November 3 in the New South River Association.

We then heard reports from associational committees and key leaders.

We heard from Calvin Knight on Baptist Hospital. He made three brief comments concerning the Baptist Hospital in Winston-Salem: (1) Comprehensive Service with a cancer center and a level 1 trauma center. He said Baptist Hospital is in the top 10 percent of hospitals nationwide in effectiveness. (2) Accessible with the use of a doctor referral 800 phone number and a Helpline staffed by Registered Nurses. (3) Cost Competitive with total charges 50 percent lower than other teaching hospitals and 10 percent lower than all hospitals. Mr. Knight told us that pastors, active and retired, were entitled to a 25 percent discount in addition to the discount through the Annuity Board Medical Plan.

M.O. Phillips then presented the Brotherhood Report: Why Brotherhood? - to train men and boys in missions. He challenged the association toward the goal of 100 percent church participation in at least one program of the Brotherhood.

John Woodward gave the report on Christian Higher Education. He informed us that through Wake Forest University he can microfilm associational and church records FREE OF CHARGE.

He said that the records are stored at Wake Forest University and that they request an update every ten years. He stated that all the resources for this service are available in the Research Room at the University.

Jeff Roberts presented the Christian Literature Report. He said that the cost per issue of the *Biblical Recorder* was $10,000. Mr. Roberts encouraged churches to get the *Biblical Recorder* in the hands of all of its families. A yearly subscription is $5.

Mack Goss represented Homes for the Aging. Fourteen years a resident at Hayes Home, Asheville, NC, Mr. Goss stated that 130 million people in America were over 85 years of age. Nine million live alone with eight out of 10 being women. Mack promoted the Homes Offering in February and he encouraged churches to plan well and participate. He invited us to come and visit Brookridge, a new installation in Winston-Salem.

Joe Watterson, speaking for Ministers Retirement urged churches to contact him or the associational office to get someone to go to the churches and assist them in this way.

A member of the Nominating Committee made the motion for the messengers to accept the Nominating Committee Report and it was unanimously accepted.

Tom Lee presented the Place and Preacher Committee Report and it was adopted.

Danny Collins for Sunday School encouraged 100 percent Vacation Bible School participation next year.

Vivian Simpson presented the World Missions and WMU Reports. She stated that the Soviet Bloc countries have their doors wide open to the Gospel. Mrs. Simpson then recognized John Rogers to report on an upcoming trip to Russia. John shared a prayer request concerning Baptist Christians in the Republic of Georgia. He said that Baptists were being persecuted by fellow Christians in the Orthodox Church and encouraged the association to begin a sister-church relationship.

Lincoln Faulk led us in a time of remembrance and prayer in memory of those who lived among us and walked with us in the faith.

Carlton Gunter, pastor of Chalybeate Springs Church sang a special selection before he delivered the annual sermon. Carlton used John 15:9-17 as his focal text. He said that "Jesus calls us 'friends' and so we are to have a resemblance of someone who not only carries out the tasks of God's business but one who knows the business he is doing." Rev. Gunter went on to say that "we're not called to be just busy people but to be God's friends", to love the Lord with all that we are and to share out of that depth of experience with God.

Wendell Pearson then expressed thanks for the Association's help in establishing New Hope Baptist Church. He urged us to pray for the church and their building program and invited us to give physical assistance to help construct and build their new facility. Brother Pearson then adjourned the meeting with a prayer of benediction and a table blessing.

Executive Committee Report

The Executive Committee of the Little River Baptist Association has met five times last year. Three of those meetings were regularly scheduled and the other two were special called sessions.

Recommendations to the Executive Committee were made by the Associational Council and others. Your committee has acted upon the recommendations in the following matter:

1. Accepted the New Hope Baptist Church into the full fellowship of the Association.
2. Expanded the Preacher and Place Committee's responsibilities to extend to five years of planning.
3. Encouraged participation in the Stewardship Banquet held at Ron's Barn.
4. Encouraged participation in the Discipleship Training Workshop on February 18.
5. Promoted the Senior Adult Rally at Neill's Creek Baptist.
6. Promoted the Great Challenge Budget sponsored by the Baptist State Convention.
7. Authorized the Little River Baptist Association to have a split meeting in 1992. The fall meeting to promote association, state, and national business; the spring meeting to promote association and missions.
8. Approved the ordination of Rev. Ronnie Suggs.
9. Accepted the resignation of Rev. Ken Stalls as our Director of Missions effective September 30, 1991.
10. Accepted the resignation of Mrs. Linda Cameron, Secretary of the Association, effective November 30, 1991.

11. Authorized a special Director of Missions Search Committee to recommend a new Director of Missions.

The Little River Baptist Association is at the crossroads of opportunity. With the resignations of our staff, some would be tempted to become discouraged; however, I feel that God is giving us a unique opportunity. We must as never before work and cooperate together to keep God's business going.

We have an excellent Search Committee who will take their work seriously and will represent us well. Those serving are Chairman - John Rogers; Vice-Moderator - Eleanor Owen; Jo Lee; Russell Blackmon; and Harrington Morrison.

Let me encourage you to do two things this new associational year. One, pray and work with this search committee. Second, attend and participate in all that your association endeavors. May this be the best associational year yet.

Jerry O. Hicks, Moderator

1990 American Bible Society Annual Report

You were there all during 1990, as we sought through the partnership established between Southern Baptists and the American Bible Society to carry out Jesus' last command on earth: The Great Commission. For instance the total number of languages into which at least one book of the Bible has now been translated is 1,946. During the course of 1990, there were 18 different languages into which at least one book of the Bible was translated for the very first time. For the first time complete Bibles are available in four additional languages.

But all of the report statistical data, facts and figures, as astounding as they are somehow do not touch the heart as much as real accounts of people sharing God's Word with people. What we all want to read about is how the Scriptures are changing lives. Let me share with you one of those special moments as it was related to the Bible Society by a former prisoner from Singapore.

> His biological father had died when he was only four, and later he was badly mistreated by his stepfather. After beginning work as a common laborer at 13, he soon began to smoke, gamble and indulge in all sorts of corruption. Years later, he was involved in a clash between rival gangs and ended up in jail.
>
> While he was contemplating suicide, two of his enemies in jail became Christians and began reading Bibles. Their behavior toward him changed radically. He was amazed at their transformation and wanted to know more about this Jesus of theirs. Borrowing a Bible, he began to read. He became more conscious of his sins as he devoured God's Word.
>
> One night as he was meeting and singing with other Christians, he pictured Jesus shedding His blood to save his life. Lifting up his hands, he prayed to accept Jesus there and then. Peace and joy flooded through him.
>
> Later released from prison, he now leads a redeemed life as a general contractor, husband and father. He says, "I love the Bible and whenever I have the opportunity to tell others how much it means to me, I am always happy to do so."

When that life was transformed by the strength, the authority, the power and the love of the Word of God, YOU WERE THERE. Yo were in that small village in South Africa when the Scriptures were distributed among the village families. You were inside that church in Romania when joyful hands reached out for Bibles. You were on the road in Haiti passing out Scriptures to the fishermen. You were in Saudi Arabia when American men and women serving their country in the armed services received the camouflage-covered Bibles which gave them comfort and hope.

Thank you for your partnership in response to God's call for obedient discipleship and worldwide evangelization.

Baptist Children's Homes of North Carolina, Inc. Report

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future! Three pillars that uphold that futuristic foundation are: 1) The return of the Thanksgiving Offering beginning in November 1991; 2) The success of our "Give a child a chance!" financial campaign, and 3) Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $8.3 million and response across the state has been overwhelming and heart gratifying.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Becuase of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-North Carolina will donate 10 percent of everything it receives over the $500,000 goal for work in that desperately needy land.

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

North Carolina Baptist Foundation - June 1991

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptsit causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990:	$647,180
Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990:	$686,124

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through Wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

North Carolina Baptist Hospitals, Inc.

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer it's patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumor and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. According to a recent report from the N.C. Medical Database Commission, average charges for care at Baptist Hopsital are 10 percent below the average charges for similar diagnoses in hospital statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 41 students during the past year. The Pastoral Care staff provided more then 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict and from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

Baptist Retirement Homes of North Carolina, Inc.

1991: Making Life for Older Adults the Best of Times

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State — Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the state.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive. . .a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults. . .The Best of Times!

Brotherhood Report

The Baptist men of the Little River Baptist Association have made significant progress, thanks in part to the Brazilian partnership and the disastrous Hurricane Hugo. However, we have some way to go to reach our objectives or goals:

1. At least one unit of the Brotherhood organization in each church; more, if feasible.
2. Establish a speakers board - in process of being developed.
3. Establish a brotherhood council.
4. Provide assistance to churches who need help in:
    a. organizing
    b. developing suitable programs
    c. assisting in special programs
        (1) churches Men's Day
        (2) R.A. recognition programs
    d. revitalizing existing programs
    e. provide resources needed for individual churches
    f. others

Efforts are continuting to organize a brotherhood council to better serve the different brotherhood and Baptist men of the Little River Baptist Association. A council can assist in the formation of new organizations, program planning and implementation of new programs.

I look forward to working with the various churches in the Little River Baptist Association in any situation where assistance is needed.

The Biblical Recorder - 1991 Associational Report

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Baptist College Report - 1991

A "new-old" event is about to take place in North Carolina Baptist life: A Special Committee!

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty," appointed in 1967, worked for two years before presenting its comprehensive findings and recommendations to the Convention in November of 1969. Both of these committees provided clarity and guidance for North Carolina Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernethy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J.L. Wilson, Winston-Salem. Their report is due in November, 1992.

The "new-old" way of study and thought is the North Carolina Baptist, tried-and-true way to confront changing times. We thank these 17 good men and women who will help us to shape the future together in harmony. They request and deserve our fervent prayers.

Council on Christian Life and Public Affairs

Charged with the responsibility to help North Carolina Baptists to become more aware of the ethical implications of the gospel in everyday living, the Council on Christian Life and Public Affairs has provided many educational resources and conducted a wide variety of field service events in 1991. Both at the Key Leader Meeting at Ridgecrest and in associational gatherings across the state, Christian Life Committee members were briefed on a variety of moral and ethical issues and provided help in organizing for action through their local churches and associations. Materials and information dealing with a wide array of issues were provided to individuals and churches.

1991 also saw the resignation of Joe F. Jones, III, Director of the Department of Substance Abuse/Dependence and Moral Concerns. As the inaugural Director of this Department, he created innovative programs that assisted church leaders in understanding how dysfunctional family systems create addictive and compulsive behavior. His distinguished leadership with state and national treatment programs kept North Carolina Baptists on the cutting edge of new ministries with persons and families affected by substance abuse.

Department of Christian Citizenship Education

GENERAL ASSEMBLY

The 1991 General Assembly session was completely dominated by one issue: the budget.

North Carolina's Constitution requires the state to have a balanced budget. Legislators found themselves looking at a projected deficit for the '91-92 budget year of about $1.2 billion (out of a General Fund budget that totals just under $8 billion.)

Because of the state's budget crisis, pressure was more intense than ever before to start up a state lottery. The state Senate easily passed a lottery bill. It ran into trouble, however, in the House, where supporters lacked the votes necessary for passage. It will remain eligible for consideration next summer.

WORLD HUNGER

This year has seen several crises of human suffering. The plight of the Kurds, abused by Saddam Hussein and abandoned by the United States, brought pictures of heart-rending suffering into our living rooms. Then a cyclone hit Bangladesh, causing perhaps as many as 200,000 deaths. Volcano eruptions in Japan and the Philippines added to the human misery.

North Carolina Baptists have been among the most generous of Southern Baptists in giving to combat hunger. Last year, however, our giving dropped by about 10 percent, and the average North Carolina Baptist gave only $.80 for the entire year.

The North Carolina Hunger Fund continues to distribute hunger money to churches and associations which are combatting hunger at the local level. Through the first half of 1991, funds had been given to twenty-two churches and six associations. These grants totaled nearly $20,000 and, in most cases, were matched by generous assistance from the Domestic Hunger Fund of the Home Mission Board.

Department of Family Life and Aging

As the population of older adults continues to increase, so do the opportunities for ministry which can effectively meet their needs through the church. The Advisory Committee for ministry with older adults has continued to envision, plan, and implement a broad range of programs and resource possibilities.

In Family Ministry endeavors, opportunities were many and varied, and took place in the local church, and at associational and state levels as well.

In cooperation with the School of Pastoral Care, a statewide retreat for clergy and spouses was held at Caraway in January, focusing on conflict resolution generated within the clergy couple's marriage as regards their life and service in the church.

At Caswell in April, a conference for single adults was held and in May a Couples Spring Break was held. A Family Enrichment Training Workshop occurred at Caraway in August.

State leadership was extended to several associations and churches in singles' ministries, marriage, and family enrichment, development of family ministry committees, and opportunities for ministry with older adults.

Substance Abuse/Dependence Department

In its third year as the only staff position among Southern Baptist institutions, conventions, and agencies fully dedicated to addictive behavior, the department continues to produce thought-provoking material.

Videos and brochures produced by the department are now in use in twelve states. A hard-hitting new video, titled "The Dependent Trap" and addressing the problem of raising passive female children, became available this year, along with brochures titled, "Drugs & Alcohol, Families and the Bible: A Daily Bible Study Guide," and "Alone in the Dark" Teenagers Today - A guide for Reflection and Response." These are available through the council office and/or the convention Audio-Visual Library.

The director continued throughout the year to meet with individuals and church groups for information sharing and discussion around issues of addiction and family set-ups for addiction.

Church Music Report

The Denominational Emphasis for 1990-1995 is "Share Heritage and Hope." The Southern Baptist Convention theme is "Embrace the Word of Christ." (1 Timothy 5:15-17). Southern Baptist Church Musicians will use the supporting theme "Sing the Word of Christ" (Colossians 3:16).

The four challenge areas needed to continue growth in the local association are: growth, worship enrichment, leader training, and missions/evangelism. Let's continue as we plan for the association these goals: conduct music reading sessions, participate in a "Let's all Go to Church" Workshop, conduct associational festivals or PraiseSing, encourage independent music studies through self study resources, provide associational leadership training event.

The Adult Associational choir led the association in a time of music for worship at the Annual Meeting of the Little River Baptist Association on October 22, aand 23, 1990. See the calendar for music events that suit your church's needs.

Thank you for allowing me to serve as your associational music director.

Discipleship Training Report

We had a banner year this year with 52 children from nine churches participating in the Bible Drills, and 17 youth participating in the youth drill and one in the speaker's tournament. Of the seventy children and youth that participated, sixty-five qualified for the State Drills.

For the coming year we hope to add at least two more churches participating in the Drill and three more churches participating in some form of discipleship training.

Surely with all that's going on in our Convention, people will see a need to know how to discern the truth and how to cope with the confusion.

Associational Evangelism Report

In the fall of 1990 your Director of Evangelism promoted and encouraged the study of the book; "Witness-Giving: These Go Together" by Cecil Ray. Also churches having a witness-giving Revival in conjunction with the study book was emphasized in Pastor's conferences and Associational newsletter.

A Witness-Life Seminar was held on October 5th at Marshbanks Dining Hall, Campbell University. This seminar was led by O.D. Martin, Director of Stewardship for the N.C Baptist State Convention.

The "Key Leadership" conference was attended by your Evangelism Director in May at Ridgecrest.

"Super Summer 1991" was held at Carowinds, July 25 and 26. Many of our churches promoted and made possible their youth to attend.

Minister's Annuity and Retirement Report

Protection is an instinct each adult has toward his spouse and children. It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death.

The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan. The Protection Section of that Church Annuity Plan is provided by the state convention, and includes several benefits.

These benefits can mean receiving:

- up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.
- up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative program dollars that match dollars contributed to your account by you and your church.

"This Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many ministers overlook in the retirement plan," Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina receives $287.43 per month, up from $234 last year. North Carolina has 3,396 members making contributions to Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them. But there is still much to be done! Consider these facts:

- small contributions make the annuitant's benefits small:
  In North Carolina:
  185 receive less than $50
  482 receive less than $100
  1,041 receive less than $200
  1,338 receive less than $300

There is a ***GREAT*** challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Mission Development Committee Report

This year mission development in the association included acceptance of New Hope Baptist church into the association. Crossroads Baptist Church was organized and the committee worked with the church to comply with the policy of the organization of a church. Crossroads is presently under the watchcare of the Little River Baptist Association.

I will take this opportunity to share Mission Development with you. What mission development will help your church do:

1. Identify missions needs and opportunities.
2. Develop mission strategies.
3. Start new works and ministries.
4. Support, establishing and strengthening of WMU and Brotherhood.

Mission development will assist your church to:

1. Touch more lives in the community.
2. Reach people who you have previously not been able to reach.
3. Involve members in ways to express their love for Christ.
4. Bring your church to new life and excitement.
5. Gain your church greater respect and acceptability in your community.
6. Help share your pastor's dream for missions and ministry.
7. Allow your church a better opportunity to accomplish the great commission in your Jerusalem.

Will each of you in the local churches pray for Mission Development in your community. Please consider electing a Mission Development Committee in your church?

Sunday School Report

The 1990-91 Sunday School report is very limited this year. Due to various team members leaving the area and unforseen circumstances causing members to be unable to serve the entire year, we were unable to maintain a full ASSIST team. However, we were still able to give assistance to several individual churches.

In February the team was to have attended the ASSIST training institute in Cary, but sickness, Desert Storm, and a broken ankle kept team members at home.

This coming year we look forward to a full team and the opportunity to share BREAKTHROUGH in Sunday School.

Senior Adults

Churches in the Association have been very responsive to the needs of the older adults. Many are now electing a senior adult director and are coordinating activities with and for this age group. Senior adults continue to play a vital role in the various ministries and opportunities for service in their individual churches and communities. Several churches observed Senior Adult Recognition Day during the year.

We are appreciative to Neill's Creek Church for hosting the Senior Adult Rally for us again this year. It was held in May with approximately 150 people in attendance representing twenty churches. The theme for the day was "Aging Is Becoming", and was highlighted by a most warm and enthusiastic address by Mrs. Doris Eller. Two special sessions were devoted to Social Security and county and community resources available to older adults.

It is important that we recognize the growing number of older adults in our churches and emphasize the invaluable resources they represent. These years of experience, precious time and talent need not be wasted when there are so many unmet needs in our world today. May this be our challenge for the New Year.

Stewardship Report

ENVIRONMENTAL STEWARDSHIP IN CHURCHES

When God created the earth, His intention was for man to live upon it, subdue it, enjoy it, and protect it. God is the owner and we are His chosen curators. (See Gen. 1,2; Ps. 115:16; Lev. 25:23.) Most often when we talk about stewardship in the church and the association we are talking about money. However, stewardship involves much, much more. One of the areas of stewardship that needs serious attention from people in the churches is the stewardship of our environment. The time is way past for churches to broaden our concept of stewardship to include more than just the financial affairs of our association and our churches. The time has come that we must consider the church's role and responsibility in being stewards of our environment.

Before we can adequately speak to others about caring for God's creation, we must model that care within our local churches. There are actions we can take related to the maintenance of grounds and facilities, consumption patterns, transportation, energy use, and paper use that would help model good stewardship of the church environment to its members and to the world. Listed below are some suggestions on "Protecting God's Creation" taken from *Ministry Currents*, August, 1991, published by the Barna Research Group.

ENVIRONMENTAL SUGGESTIONS TO CHURCHES

Have bins for recycling paper, glass, and aluminum
Use both sides of paper
Use only non-toxic, non-corrosive biodegradable cleansers
Perform regular maintenance of church vehicles
Have mechanics recycle motor oil and antifreeze
Purchase fuel efficient vehicles
Check pipes for leaks
Insulate pipes
Encourage car-pooling by staff, congregation
Weatherproof buildings
Replace plastic garbage bags with other sacks
Conserve energy by turning off lights when not in use
Use energy-efficient light bulbs

Avoid making unnecessary copies
Do not send unnecessary letters
Ask church staff to use ceramic cups instead of paper or styrofoam cups
Repair broken equipment, rather than replacing it.

Vacation Bible School Report

Planning for Vacation Bible School and the assistance the Little River Association will give to the local churches, begins early in the year. The Director begins to consider those who will go with him to the annual VBS workshop for Associational Team Leaders. On March 4, 1991, six people attended the state workshop in Hamlet, N.C. Preparation was given by the state workers and in turn the associational workers came back well prepared to pass this new and fresh information on to the local churches. A clinic for VBS workers from all over the associational church field was held at the Pleasant Memory Baptist Church on May 6, 1991. There were 23 churches represented and 116 people in attendance. Team sessions were held for age groups older preschool up and including adults and general officers.

The theme for the 1991 VBS emphasis is "Celebrate Jesus." Churches were encouraged to increase their enrollments, and to consider the "VBS SUMMER EXPLOSION" concept. This is a plan to encourage churches to conduct VBS, Mission Vacation Bible School, and Back Yard Bible Clubs in a coordinated way to reach people for Bible Study, enroll them in Sunday School, and win them to faith in the Lord Jesus.

One final report - the Little River Association received special recognition at Hamlet because of the success of every church in the association having a VBS with the exception of only one. Our goal, of course, is to have all churches participate in this great and proven method of outreach for the church.

Woman's Missionary Union Report

Woman's Missionary Union of the Little River Baptist Association were blessed through the year of 1990-91 with the words of our Watchword, "To Him who by means of His power working in us is able to do so much more than we can ever ask for, or even think of: to God be the Glory in the church and in Christ Jesus for all time, forever and ever!" (Eph. 3:20-21)

Many of the mission organizations began the year with the study of the theme book, *Empowered,* written by Esther Burroughs of the Home Mission Board.

Leadership and training opportunities were offered to the women of the W.M.U. organizations throughout the year. The fall leadership conference for all W.M.U. officers and leaders was held at the Memorial Baptist Church in September with 98 women from 20 churches in attendance. A manual study for all W.M.U. officers was offered in October, with 21 in attendance from 12 churches. In January, a witnessing workshop led by Juanita Buzzard was held at the Buies Creek Baptist Church with 31 women and girls from nine churches. We were happy to have the Acteen Activators from Hilmon Grove Baptist Church, who were in training for their summer mission project. Acteens from the Broadway Baptist Church were also involved in Acteen Activator ministries during the summer.

In March, Miss Marcia McQueen from the state W.M.U. staff, met with our Council to help us assess the work of our associational organization and to discover new and innovative ways in which we could better help the organizations in the local churches. All of Associational officers attended training sessions to receive the latest training from the staff personnel and to be able to know of any new resources available for our work.

Inspiration and fellowship times were also offered the women and girls of the association. In November the women came together at the Memorial Baptist Church for a luncheon meeting, as we joined Baptist Women around the world for the Baptist Women's Day of Prayer, and studied together ways in which we could better work, pray and worship together.

February brought a joyous time as we entertained the pastors and their wives with our annual pastor appreciation banquet held at Pope's Barn. After a delightful meal, Joyce Rogers led a delightful and hilarious skit of the typical pastor. Ted and Kay Wilbanks presented special music.

Again, a time of fellowship and inspiration was enjoyed in April when we met for our annual session at Holly Springs Baptist Church. Our hearts were blessed by the messages of Carolyn Warford, missionary to Germany, and Donice Harrod, first vice president of our state W.M.U. At this meeting we recognized eight churches who had begun new organizations.

The Annual Prayer Retreat in May took around 115 women from our churches to Caraway where they were led in a very meaningful retreat by Mary Saunders, retired missionary.

Other activities included a joint G.A. Camp at Campbell with the Neuse Association, and a conference for Mission Friends Leaders led by Marcia McQueen from the State W.M.U.

Our women were again involved in mission outreach as churches were encouraged to participate in the Christmas gift program for the women in Central prison, and the program for the mentally and physically handicapped in Harnett County; migrant kits in the summer, and the Spring Fling for mentally handicapped held at Campbell University each year.

Our year was filled, as you can see, with many activities which we trust led to the building up and strengthening of our women's mission organizations across the association, and thereby building up our mission work around the world.

World Mission Report

When headlines centered on Kuwait, Colombia and Liberia, Southern Baptist missionaries were there. When overseas Baptist churches grew 13 percent to 24,122 in 1990, Southern Baptist missionaries and volunteers were there. When overseas baptisms totaled 208,381, Southern Baptists were there, working alongside overseas Baptist partners. When prayers for new religious freedoms in soviet bloc countries were answered, Southern Baptist were there.

Southern Baptists united in prayer as never before on the last day of the week of prayer, December 9, 1990, and by the end of that day, Maurice Graham was on his way home from Kuwait. The year 1990 brought fresh evidence that being God's people in God's place does not guarantee safety or ease. Missionaries at our seminary in Bauio City, distributed rice for quake victims; in strife-torn Liberia, Ed and Fran Laughridge and their son Edward, continued to make trips into the country providing relief and spiritual guidance. Our Baptist Center in Lebanon braved heavy shelling to produce four weekly radio programs and broadcast to 1.3 million people.

Taking risks many times opened doors to building churches. In Korea Baptists, meeting in tents, basements and storefronts, started 20 churches in one week with the help of Louisiana

Baptists. About 250 people confessed Christ as Saviour as the teams visited in more than 1,000 homes.

The first Baptist Chapel among the Mam Indians in Guatamala was dedicated after Wendell and Jane Parker and Keith and Penny Stamps worked with this group for three years. The 600,000 Mam Indians in Guatemala form the second largest Mayan group living there.

Prayer results brought Christianity to places where it had been suppressed. In the Soviet Union, officials gave permission for a seminary to be opened within walking distance of the Kremlin. Baptist churches in Benin continue to grow despite the west African nation's economic crisis; a school opened in London with partial Southern Baptist financing to train Iranian Christians to evangelize other Iranians, especially the estimated three million who have fled Iran since 1979. And in China, despite the tightening of controls on foreign teachers, church attendance continues to be strong.

Startling evangelistic results came in Kenya during the massive Kenya Coastal Crusade when 56,323 people made professions of faith and 84 churches were organized. Missionary Ralph Bethea said, "I cannot explain it. . .except to say it is God's time for this place."

We could fill a volume with the reports of the movement of God in many parts of the world. Missionaries numbering 3,863, joined by 11,650 volunteers working in 121 countries, are steadily bringing Southern Baptists to the goals for Bold Mission Thrust. Southern Baptists gave $70.23 million to foreign missions through the Cooperative Program, and increase of about $1.37 million over 1989. We gave $80.58 million through the Lottie Moon Christmas Offering. But there is so much more that needs to be done. Of the 261,000 Christian missionaries in the world, 240,000 are directed toward the world that claims to be Christian. Another 20,000 are directed toward those who have not accepted Christ yet live among Christians. Only 1,000 go to that one-fourth of the world's population that hasn't had a chance.

Foreign Mission Board President, Keith Parks, says, "the task of reaching the world for Christ is not just the task of missionaries, preachers or chaplains, but it is the task of every Christian, who must die to self-interest and self-glory and self-achievement and say to God, now take this body and use it to carry out your plan on earth."

An equally challenging message comes from Larry Lewis, president of the Home Mission Board. In the opening paragraphs of his message in the annual report of the Home Mission Board, Dr. Lewis says, "Evangelism. . .the winning of people to Christ, cannot be a one week or even a six week emphasis once a year. . .it must be 52 weeks of the year. When personal evangelism is a priority and a lifestyle among Southern Baptists, the kingdom of God will rapidly multiply.

During 1990 churches of the Southern Baptist Convention baptized 385,031, an increase of 9.7 percent and we now have 43,419 congregations. Six hundred and nine churches were started during 1990. Home Missionaries now number 4,573.

The Annie Armstrong Easter Offering increase 8.14 percent with a total of $35,670,669 for evangelism, church starting, church growth and ministry.

Southern Baptist support of this offering as well as the Cooperative Program is vital to continued support of our mission work, both at home and abroad.

Southern Baptists touched Julie Nash's life in a small frame house in Portland, Oregon, and brought her out of a drug-ridden life from the time she was nine to a life of teaching a Sunday School class, and working in a jewelry industry provided by the Baptist Revival Center.

Across the vast expanses of South Dakota, Wayne James and his wife Billie travel to build a Southern Baptist congregation. After nine years, they have about 70 people worshipping together on Sunday morning.

In Dayton, Ohio, in the upstairs room of an old house, children gather with open Bibles around a table, as Dave Benson talks to them about being poor in spirit. Being poor is nothing new to them; they come from the housing projects that ring Edgewood Baptist Center and most of their lives they have relied on others for food and clothing. Benson is trying to teach them to rely on God.

All across our land, home missionaries serve among 101 ethnic groups and 95 American Indian tribes, using 98 languages and dialects. In great urban areas, in small rural towns, in quaint New England villages, and the vast plains of the west, battling not only apathy, indifference, ignorance, prejudice and unconcern, but every ism and religion that has invaded our shores, your home missionaries are making sure that the gospel of Jesus Christ is being preached and lives are being changed to the glory of God.

In Memoriam

The word "Memoriam" has interesting refrences in the scriptures meaning more than "In Memory Of." It was often used in reference to a person instead of an object. The Master said of the act of the woman who annointed His feet as her "Memorial." The same term was used with Cornelius whose "prayers and aims were come up as a memorial before God."

So as we pause here to remember our departed brothers and sisters we are reminded that we, as they, erect our own memorials by who we are and by what we do, by our deeds of loving service and devotions.

We pause now in a moment of silent reflection as a tribute to those who have walked and worked with us, who have left us with more than the memory of a name.

Little River
Baptist Association

One Hundred and Seventeenth Annual Meeting

The Association:
Living Our Legacy of Missions

This year commemorates the 200th anniversary of William Carey's "deathless sermon." Addressing the Northampton Baptist Association in Nottingham, England, the father of the modern missions movement implored early associational leaders to accept the responsibility and seize the opportunity to share the gospel message with the world.

His message was simple yet profound: "Expect great things from God. Attempt great things for God." Baptist associations were an essential force in missions advance in 1792 and today we continue to live our legacy of missions.

PREAMBLE

ARTICLE I — NAME

The name of this body shall be the Little River Baptist Association.

ARTICLE II — PURPOSE

The purpose of this Association shall be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our associational programs, the work of the North Carolina Baptist State Convention and the Southern Baptist Convention, to the end that the Gospel of our Lord and Savior, Jesus Christ, might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

ARTICLE III — OBJECTIVES

1. To provide programs, projects and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of associational resources in meeting these needs.

Executive Committee Report

The Executive Committee of the Little River Baptist Association met three times last year. Two of those meetings were regularly scheduled and the other one was a special called session.

Recommendations to the Executive Committee were made by the Associational Council and others. Your committee has acted upon the recommendations in the following matter:

1. Approved the recommendation to bring Mrs. Linda Cameron back on the associational staff as secretary.
2. Approved $1,000.00 for Mr. Ray Stancil's ministry to Brazil in January, 1992.
3. Approved the recommendation to bring the Home Equity account back to $10,000.00.
4. Approved $300.00 to facilitate pastor relationship with the association.
5. Approved the increase in hospitalization insurance for Mrs. Holloway.
6. Approved the recommendation to forgive $1,500.00 to the former Director of Missions, Ken Stalls, that was still owed to association from the Home Equity account.
7. Accepted the recommendation of the Director of Missions Search Committee to secure as Director of Missions, Rev. Wayne Oakes.
8. Approved the holding of "town meetings" to research goals and expectations of the association.
9. Approved $1,000.00 for Mr. Ray Stancil for the ministry trip to Brazil in September, 1992.
10. Approved the purchase of a new computer for the association office. The cost should not exceed $2,500.00.

This has been a transitional year for the Little River Association. We have had to operate without a Director of Missions most of this year. It took the efforts of all of our key leaders to help shoulder the load and they did a great job.

The Search Committee has performed beautifully under the excellent leadership of John Rogers. As the Lord led them in their search, they came to us with their selection of Rev. Wayne Oakes. He has begun his work enthusiastically, dreaming the dream once again of associational missions. Let me encourage you to support our new leader with prayers and personal involvement because God has called us to a great task to win the world to Jesus Christ.

Jerry O. Hicks, Moderator

American Bible Society

In 1991 the American Bible Society celebrated 175 years of outreach to people around the world, sharing the Word of God in the languages and formats they could most easily understand. The war in the Persian Gulf at the beginning of the year offered an unprecedented opportunity to reach men and women in the Armed Forces while they were serving the cause of peace in the Middle East. More than 300,000 Bibles with special camouflage covers and over 100,000 New Testaments were shared with those involved in Desert Storm. In May, the ABS released an entirely new English translation of the New Testament, the Contemporary English Version, entitled Bible for Today's Family. This translation, originally designed to convey the message of the Scriptures in a language young people could easily read and understand, proved to hold great appeal for a much wider audience and is rapidly becoming one of the most popular versions in the country. The ABS continued its progress toward achieving its vision for the future with the arrival in July of Dr. Eugene B. Habecker as its new President and CEO.

The American Bible Society throughout 1991 was the largest non-profit publisher of Scriptures in the United States and pressed forward in its efforts to make God's Word easily available to everyone in the country. The ABS continued with its outreach to individuals, churches, correctional institutions, schools, hospitals and nursing homes, community organizations and other Christian ministry agencies. In addition, special Portion and Selection formats were created for those with special needs, such as troubled youth, alcoholics and drug abusers, the homeless and those suffering from AIDS, etc. The ABS also continued to increase its channels of distribution in 1991 in order to reach people in every area of life. Direct marketing campaigns, radio and television announcements, media tours by its new president, and a corps of volunteers numbering over 7,000 all contributed toward promoting the work and mission of the American Bible Society and increasing the influence of the Scriptures in all segments of American Society.

Scripture distribution in the United States during 1991:

2,283,114	Bibles
1,935,833	New Testaments
3,080,489	Portion (usually one book of Bible)
1,003	Cassettes
1,322	Braille Scriptures
86,264,844	Selections (less than one book of Bible)
350,340	New Reader Selections
93,916,945	Total Scriptures Distributed

A giant step forward in the advancement of Christ's kingdom on earth was achieved in 1991 when the ABS introduced the New Testament in the Contemporary English Version, also known as the Bible for Today's Family. Originally conceived as a Bible that would provide today's young people with God's Word in the English they speak and understand, this new version has captivated the imaginations of adults as well and has stimulated Bible reading all across the United States. The importance of the new version cannot be underestimated. The Good News Bible (Today's English Version) released in 1976, is, by any measurement, a "best seller." As of the end of 1991 the ABS had shared almost 12 million copies in the United States alone, not including copies sold by commercial publishers or those distributed by Bible Societies in other English-speaking countries, such as Australia, Canada, England, New Zealand and South Africa.

Baptist Children's Homes

Like a marathon runner, Baptist Children's Homes of North Carolina "hit the wall" in 1991-92, but persevered to finish standing up! In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a child a chance!" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; grounding-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received of the goal to our partners in the south.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to troubling behavior. Behavioral problems make it impossible for the child to continue to live at home. BCH provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change and often. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

Still, *the Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. BCH receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to BCH would seriously jeopardize our ability to care for children.* An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide a new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

North Carolina Baptist Foundation

The North Carolina Baptist Foundation, as an agency of the Baptist State Convention of North Carolina, is committed under the guidance of the Holy Spirit in serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Directors with interest income being paid either in perpetuity to Baptist causes named by the donor or to the donor (or heirs) for their lifetime (or specific period of time) before the income is then paid in perpetuity to the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1991:	$ 1,100,606
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991:	$ 1,062,643
Total market value of Foundation assets, December 31, 1991:	$36,283,384

During 1991, the Board of Directors, with the assistance of a nationally recognized investment consulting firm, adopted a detailed Investment Policy to govern the types of investments that its fiscal agents may make in keeping with the Christian commitment of the Foundation, as well as attempt to insure that the future spending value of the invested trust fund dollar will keep up with inflation. A study revealed that during the past five years the fiscal agents managing the Foundation assets ranked near the top nationally with other investment managers who operate under investment guidelines similar to the ones provided by the Foundation Board.

The significance of the Foundation services was illustrated in a recent experience that staff members had while eating in a fast food restaurant in Durham. In taking a seat adjacent to a table occupied by a young black police officer, we observed the enthusiasm of a white lad of about 4 years of age as he stood talking to the officer. As the mother and a younger child, coming from another area of the restaurant, called for the lad to join them, he walked away from the table 6 to 8 feet, turned around and said to the officer, who was now standing and preparing to leave, "Can I give you a hug?" After an affirmative answer from the officer, the child walked over to the officer, reached around his legs and gave him a hug. The officer confirmed to us that he wished the world was filled with people like this child. The example corresponds to what so many already have done through the Foundation. As they approach the time of leaving this earthly life, they look back affectionately on what the Lord has done for them during their life and decide that they want to leave an expression of their love through an enduring and lasting gift (a "hug", if you please) that will serve the Lord until His return.

North Carolina Baptist Hospital

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospitals's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in it's rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Stitch Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

Baptist Retirement Homes Report

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our convention.

The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our State, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than the average North Carolina Baptist Older Adult could pay). And to make matters even worse, in spite of the high cost of those beds, often the quality of care provided through those beds was fair at best. In other words, the greatest problem facing North Carolina Baptist Older Adults in 1992 was the fact that there were simply not enough affordable quality nursing care beds available for use by people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds became available in the Piedmont area of our State in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill in Northwest Asheville. It is our institution's hope that by 1994 affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60% of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Center in Asheville. . .a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly. . .the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

Brotherhood

The Little River Baptist Association's Brotherhood report contains some achievements that we feel the association can look to with pride. Baptist men, although not alone, were involved in the collection of food and other disaster relief materials to the tune of a truck and two pickup loads of materials. These materials were delivered to the State Baptist Convention headquarters in Raleigh by the Coats Baptist Men. This is only a beginning towards relief for Andrew victims. Plans are underway to send workers to aid in the restoration of the area.

The past year has been a good one in relation to involvement on the part of Baptist men. Records show continued growth in both activities and in enrollment.

Your Brotherhood Director has assisted the State Baptist Convention in conducting Brotherhood workshops - "How to Have Effective Brotherhood Organizations" - a help that is available for Brotherhood (Baptist men) in the Little River Baptist Association for churches who may want to improve both the involvement and the effectiveness of their programs. If you are interested, contact our Director of Missions.

The Biblical Recorder

Last year we reported to you: "The Baptist World is changing rapidly; some would contend it is for good, while others think it is nothing short of a tragedy." In these past twelve months, the changes are beyond description—on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: *The Biblical Recorder*, 232 West Millbrook Road, Raleigh, N.C. 27609, (919) 847-2127.

Christian Life and Public Affairs Report

The Commission seeks to develop Christian morality among Southern Baptists by emphasizing the application of the principles of the Christian faith both in personal and public life. An ongoing effort is made to provide Christian ethics services to other Southern Baptist agencies, state Baptist Convention, associations, churches, and individuals to enable Southern Baptists to deal more effectively with the serious moral challenges of our time. The Commission encourages the formation and activation of Christian Life Committees at all levels of Southern

Baptist life beginning with the local church. By coordinating and correlating Southern Baptist social concerns, the Commission helps to make the greatest possible impact for Christ in support of the Convention's total objectives.

The presence of full-time Washington-based staff has enhanced greatly the Commission's ability to fulfill the portion of its program statement which calls on it to "bring to bear Baptist statements, convictions and insights in the field of Christian ethics and religious liberty upon important policy making groups" and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public health, and other matters pertaining to social welfare."

During the past year, the Washington and Nashville staffs have worked diligently to share both with Congress and the White House numerous convictions and concerns of Southern Baptists. Commission staff members have been active in corresponding and meeting with members of both the legislative and executive branches of the federal government concerning areas of Southern Baptist concern. Also, with the approval of the convention's Executive Committee, the Commission launched a new publication, *Salt*, in a newsletter format (six issues a year), which seeks to keep Southern Baptists informed on public policy and issues active in the administrative, judicial and legislative branches of the federal government. The goal of *Salt* is to inform and motivate Southern Baptists to influence their president, senators, and representatives in a responsible, scriptural manner.

The Commission has also been particularly active during the past year in leading a strong coalition of numerous groups supporting legislation restricting alcohol advertising and requiring mandatory health warnings on alcohol advertisements. Abortion, drug abuse and pornography are among the other issues on which the Commission staff has been involved through the Washington office in the past year. The Commission remains particularly concerned about the serious threats to religious liberty posed by recent Supreme Court decisions and works closely with a coalition of groups trying to remedy these threats both through legislation and judicial action. The Commission also continued to pursue the fulfillment of its program statement this past year through the filing of *amicus curia*e, "friend of the court," briefs in cases involving abortion, pornography and religious liberty.

In the religious liberty arena, the Commission also filed its first independent *amicus curia* (friend of the court) brief in the U.S. Supreme Court in the *Lee V. Weisman* school graduation prayer case. In this brief, the Commission asked the court to overturn a lower court order prohibiting invocations and benedictions containing the word "God" at public school commencement exercises. The Commission has also asked the court to revise the "Lemon" test and suggested a new test to replace Lemon, a test which is premised on the principles of government accommodation of religious practices which exist independently of government action and are not induced or coerced by government. The Commission believes students must have the right to free exercise of *their* religious liberty while in school, to associate voluntarily with one another during lunch, recess and free periods to pray, study the Bible and to discuss religious issues with each other without government control or censorship.

The Commission's 1992 annual national seminar in Washington, D.C. was entitled "Citizen Christians: Their Rights and Responsibilities." The program combined interpretive biblical themes with addresses on subjects such as "How Christians Can Make A Difference Inside Government" and "What you as a Christian Can and Cannot Do." The seminar also included a White House briefing and a congressional breakfast where seminar participants had an opportunity to interact with various senators and congressmen about issues of concern to them.

The Commission continued its long-standing leadership in the field of race relations by sponsoring a consultation which brought Southern Baptists of many racial and ethnic backgrounds together. The consultation was very helpful in addressing the goals the Commission seeks and the obstacles the Commission faces in encouraging our denomination and our society to be more Christ-like on this issue in the years ahead. The Commission also provided leadership in the National Coalition Against Pornography and during Bible Preaching-Church Administration Weeks and National Student Weeks at Ridgecrest and Glorieta. Commission staff also served as resource persons in events held in numerous state conventions as well as for other Southern

Baptist agencies and entities.

The Commission continued its responsibility assigned by the Southern Baptist Convention for education and action related to the issue of hunger. Commission staff produced the 1991-1992 World Hunger Awareness/Action Guide entitled *Hunger*. This guide was mailed to every church in the convention to encourage and to support the observance of World Hunger Day. The Commission produced a film entitled, *What Shall We Do in a Hungry World?*, which had previously been mailed in videotape form to Southern Baptist associations, continued to be used significantly in heightening Southern Baptists' awareness on this vital issue.

Associational Evangelism

The evangelistic theme for 1992-93 is "Share Heritage and Hope. . . Equip Believers". Churches are encouraged to train Sunday School workers using the module, "Training Sunday School Workers in Evangelism". In addition, one day soul-winning workshops and lay evangelism schools are encouraged. Churches should begin now to make preparation for "Here's Hope" simultaneous revivals to be conducted in 1995.

Your Evangelism Director attended the Evangelism Conference in February at Greensboro and also "Key Leadership" conference at Caswell in May.

Super Summer 1992 was held at Carowinds July 30th and 31st. Attendance was the largest ever. Many of our churches promoted and made it possible for their youth to attend.

Discipleship Training Reports

This year we had 39 children from 8 churches and 16 youth from 3 churches participating in the association drills. Of these, 54 went on to the state drills.

Four of the children and one youth got their 3-year awards. All of the youth who participated began in the children's drill, so it is very important that we start our children early.

Minister's Retirement and Church Annuity

A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection. The Annuity Board's primary focus for 1992 and 1993 is on enrolling as many people and churches as possible in the Church Life and Health Program and the Church Annuity Plan.

New medical plans will be offered on January 1, 1993, as options to help address the affordability issue. The Church Annuity Plan is far more than a retirement plan. It is a means to provide family protection today as well as financial security tomorrow.

As of May 1992, 34,571 persons were participating in the Church Annuity Plan. This,is the highest number of members in the history of the Plan. The number of churches involved was 19,930. In our association we have twenty-eight churches participating.

Eligible participants in the Church Annuity Plan benefit in five significant ways.

1. The Plan includes a Protection Section that covers disability and death. In 1991, 252 families received disability checks from the Plan, and 60 families received well over $1,000,000 in survivor benefits. Additionally, they received the full value of the deceaseds' retirement accounts. All of these protection benefits are free to the members. They are funded state convention Cooperative Program dollars.
2. The Plan includes a choice of plan funds offering 7 valuable, advantageous investment opportunities for retirement. In 1991, the Variable Fund credited 28.3% earnings and the Balanced Fund credited 22.4%.
3. The Plan offers significant opportunities for avoiding unnecessary income tax. Ordained ministers do not pay self-employment tax for Social Security on contributions to the Church Annuity Plan. These advantages exceed those offered by IRAs.
4. The Plan includes matching state convention Cooperative Program dollars for eligible members' retirement income accounts. This can amount to $210 per year resulting in higher benefits at retirement.
5. A fifth value is the Annuity Board's strength and stability. On July 1, 1992, a five percent increase was applied to Plan A and defined contribution funded annuities. This brings Plan A increases to 222% of what was called for by the original plan formula benefit.

Based on the needs of our people and in light of these special advantages, our association is encouraged to lead every church to participate in the Church Annuity Plan, which now includes minister's retirement.

The Annuity Board is celebrating 75 years of keeping the confidence of the people we serve. Our ministry continues to be "Serving Those Who Serve the Lord."

Missions Development Reports

This year Missions Development carried the outreach of the churches of Little River Baptist Association across our state and around the world.

Fourteen people from the Buies Creek First Baptist Church were invited by the Russian Center for Human Values to visit Russia for the purpose of teaching teachers of English better teaching methods, Christian values and ethics, the Bible and several other courses in a city about fifty miles from Moscow.

Two people from Memorial traveled to the State of Georgia (formerly part of U.S.S.R.) to visit Baptist representatives for the purpose of beginning a sister church relationship with a church in this part of the former U.S.S.R.

Ray Stancil, member of the Coats Baptist Church, was back in Sao Paulo, Brazil on two occasions to help finish the construction work on a chapel, and for evangelistic ministry. Acteen Activators from Coats traveled to Tulsa, Oklahoma to work in a mission center, and youth from Buies Creek First Baptist and Lillington were engaged in campground ministries and repair work on homes in the Boone, North Carolina area. Youth from Memorial Baptist Church traveled to Pittsburgh, Pennsylvania for mission work.

These ministries out of our country and in our state will help strengthen and develop our own associational missions, as we begin to enlarge our own ministries here at home. We need to remember that Jesus told us to go into all the world, but we must begin right here at home.

Pray for the Missions Development Committee of the Association as they seek to enlarge existing ministries and develop new strategies for mission outreach.

Sunday School Report

The Sunday School is the church organized for outreach and Bible study. This is the task of Sunday School. All Sunday Schools do Bible study, but too few do meaningful outreach. The associational ASSISTeam exists to support individual churches in our area of responsibility fulfill their tasks.

This last year a two night training school was held and the study course, "Teaching the Bible", was taught for all age group leaders. The ASSISTeam held a VBS clinic in April. We have begun a Pastor-Sunday School Directors Workshop which meets quarterly. This fall we offered a two night "Preparation Week" workshop in Dunn.

The ASSISTeam was invited to help Hillmon Grove church evaluate its Sunday School and help with plans for the new church year.

In some ways this was a good year for our Sunday School support team. We look forward to being invited into more churches to help with their Sunday Schools. Call Doug Ponder at 892-6395(C) or 892-4566(H) when you want to talk about Sunday School and/or need help.

Stewardship Report

Did you know there are more than 294,271 congregations in the United States, 70% of which have fewer than 500 members? Less than 5% have more than 2,000. Did you know that the average annual contribution per member was $715? Did you know that people with annual household incomes under $10,000 gave 2.8% of their total income to charity while those who made over $100,000 a year gave only 2.1%? Did you know that as a group of Baptist churches we are a long way from teaching and being what God expects us to be in terms of stewards?

How can people learn unless they are informed and taught? The Stewardship Commission of the SBC has some excellent resources to help teach and lead people to grow in giving. In the Associational Office there are samples of five proven and effective stewardship/budget programs designed to assist churches in growing stewards and increasing income for expanded ministries. These resources are: Challenge to Give, Tithers Commitment Program, Committed to Ministries, Growth in Giving and The Forward Program. They were purchased with the idea that churches could review the material to determine what they might be able to use. After reviewing the material the church will then order the material they desire. One of the goals of the Associational Office is to be a resource center for the churches of the Little River Baptist Association.

Youth Ministry Report

This year there were two big events which put the 1992 youth ministry budget into action. The first was a performance by a theater company entitled, "The Greatest Gift of All". Every church was encouraged to attend this event for children and youth age groups. Ernie Taylor, pastor of Pleasant Memory Baptist Church worked hard planning and overseeing this event. Several young people went forward on this evening to receive Christ into their lives.

The second event was the association's second annual youth rally. The theme this year was "Making a Difference. . ." centering around discipleship. Eighteen of our association churches participated and three outside churches were present as well. Youth and leaders from many churches planned and put together the 90 minute program with pizza served before the event. A twelve foot backdrop was painted by the youth which made the set for Kyle and Susan Matthews performance. Bobby Poss, a state high school football coach, was the guest speaker and delivered a message on "Discipleship In The Teen's Life".

Both of these programs maximized the unity in our association by bringing leaders together to help one another in order that each church may provide the best ministry with their youth. We thank our association for their support.

Foreign Mission Board

TOUCHING PEOPLE IN 1991

In spite of a world that drastically changed in 1991, some things consistently remain the same. God's plan of salvation hasn't changed. The needs of the lost world haven't changed. And the Lord's mandate for Baptists to be a missions people has not changed.

Korean evangelist Billy Kim preached in September in the Kremlin's Palace of Congress, where the Soviet Parliament used to meet. More than half of the crowd indicated they had prayed to receive Christ. And Soviet soldiers helped unload 6,500 Russian-language New Testaments inside the Kremlin walls.

Missionary Tom Barron tells of an Indonesian youth, Wim Theorupun, who years ago left his tiny island to study on Java. He trusted Christ while on his way to becoming an influential attorney with the Indonesian government. While practicing law, he has started at least three Baptist churches on three different islands. "His influence as a humble servant of Christ bears testimony of the power of God's Word in a man's life," says Tom.

Missionaries Carlos and Myrtice Owens served faithfully for 25 years in Tanzania. Before retiring in 1991, they worked another nine years in Namibia, witnessing to northern people groups. In those nine years, "God surely had His hands on our work, because He gave us 40 churches with more that 4,000 baptized members," says Carlos.

Southern Baptist church members responded to needs of supporting mission work around the world in 1991. Lay people and pastors trekked through large sections of Asia, Africa, Europe, Latin America and Australia. They assisted in everything from medical response, hunger relief and church-building construction, to revivals and Bible schools. Thousands came to faith in Christ because of the activity of short-term workers. Preparations began for meeting food-distribution needs in the former Soviet Union. Scores of church buildings were constructed through efforts of dedicated volunteers.

Our foreign mission effort finds power in the prayers of all Southern Baptists. The Green Alert (an extraordinary emphasis to reach people in an area of tremendous change), begun in 1991 to focus on new opportunities in the former Soviet Union, depends on prayer. In fact, the only missions strategy we possess for all the peoples of the world is prayer. Every month more than 25,000 individuals read Global PrayerGram, and more than 12,000 Southern Baptists call the FMB PrayerLine (1-800-395-PRAY). Many Southern Baptists volunteer time in foreign projects, but all Southern Baptists can volunteer in the most strategic area: prayer.

Southern Baptist giving to foreign missions continued to grow in 1991. Most came through two channels: the Cooperative Program and the Lottie Moon Christmas Offering. Southern Baptists gave $68.96 million to foreign missions through the Cooperative Program, a decrease of about $1.27 million from 1990. In 1991 the Foreign Mission Board received $79.8 million through the Lottie Moon Christmas Offering. Southern Baptists gave $7.24 million in hunger-relief offerings. In return, the Foreign Mission Board sought to spend the funds in keeping with their commitment to Southern Baptists. 64.4 percent of total expenditures went to support and equip missionaries. The next largest portion was spent for evangelism and church development. Only 11.6 percent of board expenditures went for home-office staff, expenses and promotion. Missionary-sending agencies generally try to keep home operational expenses below 20 percent.

Woman's Missionary Union Report

As we began our 1991-1992 year, the 85th year for Little River W.M.U., we dedicated ourselves anew to the tasks that our convention had assigned us - to teach missions, to lead women and girls to become involved in missions, and to lead the entire church to pray for and give to missions. Our theme for the year was *Called & Accountable* and our watchword was Acts 1:8 - reminding us that the power of God is available to us to do what we have been called to do.

We began our year with our Leadership Conference at Antioch with 121 present from 25 churches. This was good but there were 13 churches who had none of their leaders present for training. Our goal for the year was to reach each church with some kind of W.M.U. training, which we are continuing into the present year.

Various activities were held during the year to inform and strengthen our work and for fellowship. In February, the annual Pastor's Appreciation Banquet was held at Ron's Barn with 119 pastors, wives and W.M.U. leaders in attendance.

Baptist Young Women had a B.Y.W. workshop in January with Jo Ann Stancil of the Raleigh Association leading the workshop. Acteens promoted an overnight retreat for the girls to work on Studiact.

Baptist Women and B.Y.W. came together in May for a very successful prayer retreat with 127 women from 21 churches. Hope Christian of Raleigh was the retreat leader. She inspired and challenged all of us to a deeper walk with God. The Annual Meeting in April at the Neill's Creek Baptist Church brought 137 of our women from 25 churches. Nona Kay Bickerstaff, formerly with the New York Convention but now from Texas, challenged us to get involved in our partnership with New York.

At this meeting the following recognitions were made: 12 churches who have new organizations; Hillmon Grove as a distinguished W.M.U.; Little River Association as distinguished W.M.U.; Hillmon Grove Acteen Activators; Coats Baptist Church Acteen Activators.

This year we have divided our association into groups and each council member has at least 3 churches to contact, visit and help start work or strengthen the existing organization. We call on the pastors of this association to continue to be the strong arm in supporting our work as we seek to call God's people into missions and ministry.

World Missions Report

The Christian world stands at the door of its greatest challenge and greatest opportunity. There are lost millions without Christ who stand before a brief window of opportunity. All our energies, expertise, spiritual resources and personnel should be mobilized to do all we can as quickly as we can.

Let us look first at the world beyond our shores. Last year was a time of tensions and new directions. In May, President Ion Iliescu asked Baptists to help rebuild Romania, acknowledging that their greatest need was not economic but moral and spiritual.

In Russia, Billy Kim preached in the Kremlin palace of Parliament and Russian soldiers helped unload 6,500 Russian language Bibles. Southern Baptist church members responded to needs of supporting mission work around the world, and lay persons and pastors trekked through large sections of Asia, Africa, Europe, Latin America and Australia. Thousands came to Christ because of the work of short term volunteers. Support of Southern Baptist foreign mission work also was seen in the giving of $68.96 million through the Cooperative Program; $79.78 million through the Lottie Moon Christmas Offering; $7.24 million in hunger relief offerings. At the end of 1991, a total of 3,906 missionaries were serving in 122 countries. Overseas churches baptized 233,304 new converts and the number of churches are now 1,576 - a 6.5 increase over 1990. Church memberships now number nearly 3 million with an increase of 400,000 in 1991.

What about the task that is still before us. We must continue to try to reach the people in World C - places where the majority of the people call themselves Christians - 1.8 billion people. World B - places where most people have some access to the Gospel, but still have not become Christian - 2.3 billion people. World A - places where people haven't heard the Gospel and have little chance of hearing it unless Christians give them special attention - 1.2 billion people.

Now what is the story right here in our homeland. There are 20+ programs administered by the personnel of the Home Mission Board. Many of these are promoted and carried out through cooperation with state and associational personnel. There was a time when there were quite a few states in which missions was completely done by the Home Mission Board, but as the work has grown stronger and conventions have been formed in most states, more and more missions and ministries are cooperative efforts. As Rev. Hemphill, pastor of the First Baptist Church of Norfolk states it, "We are all Home Missions."

Here are some highlights from the Home Mission Board's annual report that particularly highlight the work of home missions: there are 4,922 appointed home missionaries who are at work in all 50 states, Canada, American Samoa and the Caribbean winning the lost, starting and growing churches, and ministering to the needs of others. Southern Baptists gave $35.5 million through the Annie Armstrong Easter Offering for home mission work. Southern Baptists reported 396,668 baptisms in 1991, many of these the result of the work of Chaplains, Home Missionaries in mission centers, in language missions (1,825 home missionaries serve among 101 ethnic groups using 98 languages and dialects), among American Indians, in the large western states where there are few Southern Baptist churches and in the sprawling urban areas which stretch along miles of coastline and form the mega cities all across our land. A crucial program of the Home Mission Board is the Prayer and Spiritual Ministry which is seeking to begin an intercessory prayer ministry in every church.

As God is opening doors around the world, so He is opening doors here in the U. S. Besides the thousands who have lived here all their lives and have still arrived at adulthood not knowing the Lord Jesus, are the additional thousands whom God is bringing from around the world to be our friends, our neighbors and our co-workers. God expects us to share His love and the good news of salvation with them. God is at work all around us - here and all over the world. Don't be left out! Join Him. You'll be glad you did!

A Memorial Meditation

Often in our references to departed loved ones and friends, we use the term, "lost." Just this year I was reminded that no one is lost if we know where He is. By faith and remembering, we know where friends and loved ones are!

When Jesus ascended, his followers felt He had gone away from the, but the literal meaning of the event is "He was taken from their eyes."

Is this not true of our believing loved ones? Though they are taken from our sight, they are alive in Christ. We remember, honor and love them in our hearts. Let this be our memorial to the LIVING.

Town Meeting Reports

Recently, "Town Meetings" were held in four different parts of our association. The Associational Council listened intently to all ideas expressed and brings the following as a direction for association in 1993 and beyond:

COMMUNICATION AND FELLOWSHIP

Concern was expressed about the lack of communication that takes place within and across the association. Therefore, the following plans are suggested:

1. Mail newsletters in bulk to each church for the first month in each quarter. They would be for distribution with the church bulletin.
2. Prepare a monthly calendar of events that could be copied and inserted in church bulletins.
3. Ask associational program leaders to make more contact with local congregations.
4. Ask the Director of Missions to continue regular visitation of churches.
5. Within regional clusters, establish pastoral support groups, minister's wives support groups, recommend hymn sings and regional youth activities.

CHURCH AND COMMUNITY MINISTRIES

We recommend that the Association investigate developing a comprehensive centralized ministry in the areas of clothing distribution; food provisions; literacy; work with families in crisis; nutrition and cleanliness; family counseling, and other needs as they become known.

FAMILY MINISTRIES

Many concerns were expressed relative to family ministries. It is essential that we encourage and strengthen families in the LRBA and the community by meeting specific needs. We recommend the following:

1. Family finances. Organize seminars on Christian finances, led by trained consultants from the Association or from the Baptist State Convention of NC.
2. Shelter for Battered Women. We recommend that attention be given to support and eventually help organize a shelter for battered women.
3. Crisis Pregnancy Center. We recommend that attention be given to developing a center to offer support and care to persons in crisis pregnancies.
4. We recommend that encouragement be given to our churches and steps be taken to assist them in examining themselves in order to determine ways to attract more young families. For example, close attention must be given to their nursery and educational programs.

INGATHERING - RECLAIMING INACTIVE CHURCH MEMBERS

We are alarmed at the large number of resident members who are totally inactive in the work and ministry of the local church. We recommend the following:

1. That a prayer emphasis be held within each cluster of churches in our Association so that participating churches can prayerfully seek a vision for reaching their own inactive church members. This may be done cooperatively within a cluster or by an individual church.
2. We encourage each congregation to provide some type of new member orientation to every new believer by utilizing materials such as "The Survival Kit for New Christians" or "Covenant Life."
3. We encourage each congregation to teach the BSSB module on "Ingathering: Reclaiming Inactive Church Members"
4. The Association will provide regional training in "LAB 1: Calling and Caring Ministries." This is a thirty-eight hour intensive training experience in listening skills toward the end of reclaiming inactive church members. The training will be offered in each region of the Association during 1993.

MISSION DEVELOPMENT

The Associational Council proposes the following recommendations for missions work during the 1992-1993 year:

1. Church Starts: Ask the Missions Development Committee to study potential areas for new church starts by utilizing demographic studies of our area.

2. New York Partnership: An Ad Hoc committee has already been appointed to oversee this work. Tentative dates for trips to New York include Easter Break so as to involve younger age groups, and a week in June, 1993. Other plans are to invite New York pastors to speak in our churches during Home Missions Week (Spring, 1993). Our goal is to have 100% involvement with some level of commitment form every church (i.e., church-to-church prayer links, planned financial support, etc.)
3. Evangelism: Much concern has been expressed for a more intentional effort in reaching the enormous number of mobile home residents throughout our Association. We strongly urge every church to target those who are unchurched. We encourage support of efforts being made to provide training in witnessing skills within our Association, and we encourage all churches to participate in cooperative evangelistic efforts.
4. Habitat For Humanity Chapter: A Harnett County HFH affiliate is beginning with some of our pastors and church leaders offering leadership to this program. We encourage every church to become involved.

DISCIPLESHIP TRAINING

Concern has been expressed in the following categories: Families, Training in leadership and spiritual growth, Youth, Evangelism training, and Pastors/Pastor's Wives support groups.

1. The Following seminars have already been planned for 1993 -"How To Share Your Faith" January 11 (Two hours, evening) "Marketplace Evangelism"September 18 (All day) Deacons and Spouses TrainingSeptember 30 (evening/dinner)
2. Within the clusters of churches, we recommend the following courses/ seminars: "MasterLife" -Primarily for pastors to be certified to lead groups in their own churches. Other LIFE courses such as Parenting By Grace, Marriage Enrichment, andChristian Money Management.
3. We will assist in the process of forming support/study/prayer groups for pastors and pastor's wives.
4. We will host a seminar on the New Age movement or on other similar types of cult religions.
5. We will enlarge the videotape lending library in the Associational office and organize a listing of videotapes which will be made available for loan to churches in the Association.

Resolutions Committee report by Rick Jefferds, Chairman. Be it hereby resolved:

1. That the Little River Baptist Association extend its greatful appreciation to its staff, especially Linda Cameron and those who assisted her in the compiling of the facts, figures and reports. To the program participants and to the program leaders for the fine work in planning, managing, and communicating the theme of this year's meetings.
2. That sincere thanks be extended to the congregations of Antioch Baptist Church and Neill's Creek Baptist Church for hosting the meetings, and in the case of the latter, providing a meal as well.
3. And to our featured speakers we extend gratitude for their preparation, presentations, and travel.
4. I would like to see an addition to our bylaws which reflects our own adoption of the recent stance of our convention on the issue of homosexuality. That we would disfellowship with any church that promotes by way of acceptance or sanctioning that which is abominable in the sight of God.

   I realize that there are other abominations listed in scripture, but none seem to have such a militant well-organized campaign for acceptance. Be it also understood that we view those who participate in this life-style as we would any other sinful practice, as people who are in need of the grace of God in Jesus Christ to open their blinded eyes.

   I do not suggest this from an attitude of distrust of any of our sister churches, but on the contrary that we would in one accord take our stand on this issue to foster trust among us. The problems that seemed once so far away are now slowly incroaching upon us, rather than wait till they come, let us be prepared.

Point of order raised about taking action on resolutions. Moderator asked for second. Seconded. Moderator announced that they would be a separate vote on the first three resolutions and then vote on the last resolution later. Point of order raised on the last resolution to make change in bylaws, which would have to be voted on at later meeting. Moderator called for vote on first three resolutions. Voted and carried. Moderator entertained a motion to refer last resolution to Bylaws Committee. Motion to table. Seconded. Ayes have it.

Director of Missions brought an item of information. The Pastors' Retreat at Caswell will be November 1, 2 and 3rd. There are some vacancies.

Jeff Roberts introduced the speaker for the evening session, Glen Holt, President of the North Carolina Baptist State Convention.

Benediction by Jeff Witcher.

118th Annual Meeting of the Little River Baptist Association was adjourned.

Respectfully submitted,
Jo Lee, Associational Clerk

American Bible Society Report

In the time it takes you to read this report the population of the world will have increased by almost 2,000 souls. Between 90 and 100 million people - a number roughly equivalent to the present population of Eastern Europe or Central America - will be added every year during the decade of the 90's for a total of one billion people - an additional China - by the year 2000. It is estimated that 35 years from now no less than 95% of the global population will live in the developing countries of Africa, Asia and Latin America.

If this population growth increases proportionately, in less than 50 years there will be twice as many people on our planet than there are today. Such a rapid growth will create enormous problems for our world - Where will they live? What will they eat? How will they all find work? And even more important - How can they be reached for God?

The task before the American Bible Society and its sister Bible Societies around the world is monumental. To reach this fast growing population with the Word of God will be like running up a down escalator. We shall indeed have to run very fast in order to maintain our upward motion.

The American Bible Society is trying not only to meet the burgeoning need for the Bible in today's world but to ensure against a very possible Scripture famine in the world of tomorrow. The work of reaching the world for Christ through the pages of Holy Scripture requires continued involvement in the translation of God's Word, the production of God's Word, and the distribution of God's Word.

In its ongoing attempts to make the Word of God available to all people in the languages and formats they can most easily understand, the American Bible Society continued its development of translations and formats which would encourage both the churched and the unchurched to explore and to inquire into the vast knowledge and truth contained in the Holy Scriptures. Work continued on translating the Old Testament and the Deuterocanonicals/Aprocrypha into the Contemporary English Version so that the entire Bible may soon be available in this form of English spoken in the United States. Text changes were also completed and approved for the second edition of the Today's English Version for American usage, which was published in September of 1992. This version marked a significant step forward in eliminating inappropriate terminology and in resolving several exegetical concerns raised by users of the Good News Bible. All TEV Scriptures now conform with this new edition.

In its continuing concern for reaching those with little or no church background, the ABS produced an evangelism portion in the Contemporary English Version entitled "What's Your Top Priority?" Using selected passages from Paul's letter to the Romans along with sections of thought-provoking questions, this brief booklet is ideal for introducing young people and adults to the hope found in God's Word.

Since the American Bible Society was founded in 1816 the ABS has distributed worldwide a total of 6,105,500,686 Scriptures. As the population of the world today is only somewhere over 5.5 million people, it might seem that we have accomplished our mission of reaching everyone on earth with at least a part of God's Word. But this is far from the truth. Although the message of God's Word is eternal, the paper it is printed on is not. Scriptures in languages which have fallen into disuse are no longer understood. And all languages, including English and other major languages of the world, are in a constant state of change, thereby demanding new translations. With the rapid increase in communication around the world these changes become increasingly apparent. Scriptures shared only 50 years ago may, in many cases, no longer meet the needs of today's readers. So the distribution task of the American Bible Society is not only to provide God's Word to meet emergency situations but to develop new ways of reaching new generations with Scriptures they can easily understand.

Baptist Children's Homes of North Carolina

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast. . . and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'" Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the N.C. Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Felshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available Aug. 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Mary Lou Dickey promised, "we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

North Carolina Baptist Foundation Report

The North Carolina Baptist Founation works diligently in service to Christ as directed by the agency's Mission Statement:

"The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

And further, the Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out out the intent of each donor and trustor whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The total market value of the assets of the Founation at the end of 1992 was $41,880,638., an increase of almost $5.6 million over the end of 1991. Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income to be paid to Baptist causes in perpetuity. Additionally, the Foundation offers fund management for Baptist causes on a revocable basis.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1992:	$1,182,203.
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1992:	$1,024,007.

In 1992, and continuing into 1993, the Long Range Planning Committee of the Board of Directors met extensively to lay the groundwork for the Foundation's goals and objectives for the next five years. The previous five years were quite successful with ambitious financial goals being met early on. It is anticipated that the Board's work in evaluating the past and present status and in laying a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. Visitors are welcome and are encouraged to stop by for professional assistance or just to say hello.

North Carolina Baptist Hospitals, Inc.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidelines via a telephone call.

POINTS OF EXCELLENCE

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation.
(2) We performed our first pancreas transplant and first double organ transplant (pancreas and kidney) this year.
(3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, Md. to Atlnata, GA.
(4) Quality infant through adolescence care in our Brenner Children's Hospital.
(5) Our neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S.
(6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of excellent stewardship.

(1) The latest report of the North Carolina Database Commission comparing hospital major service charges vs. Baptist Hospital reveals, for our most frequent diagnoses:

Duke 36% higher
Carolina's Medical Center (Charlotte) - 36.5% higher
UNC - Chapel Hill - 28% higher
Average statewide - 9% higher

(2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same period will average 3.3%, well under both the above mentioned indexes.

EXPANSION FOR MEETING THE NEEDS OF THE FUTURE

Nursing Center at Oak Summit

Opening in July, this 170-bed facility provides skilled and intermediate care. The center will be one of only a few in the state to provide care for ventilator-dependent patients.

Emergency Department/Dietary

Under construction at the present time to be completed by June 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 29,000 patients annually, but it is handling more than 40,000. Our new ER capacity will be 70,000 annually. This building will also house three floors of patient private rooms, our Pharmacy Department, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation

Construction on this facility begins in November of 1993 and is scheduled for completion in January 1996. It will include geriatric care, research, and education; psychiatry; and also provide comprehensive acute rehabilitation services including nutrition assessment, physical, outpatient, speech, and recreational therapy.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills.

Baptist Retirement Homes of North Carolina, Inc.

Did you know that:

In 1993, North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65).

That one-half of all the people who have ever lived to be sixty-five (65) are now living.

The fastest growing segment of North Carolina Baptist life is composed of those adults eighty-five (85) and older and that by the year 2000 that age category will double in size.

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty-five (55) every 18 seconds.

That by the year 2010 one out of every two people living in North Carolina will be fifty (50) years of age or older? What do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as we move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Carolina, Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid certified nursing care facility).

The Rickman Center is a state-of-the-art long-term care facility that has been developed to meet the needs of the poor elderly in Western North Carolina. (80% of the resident population will be recipients of benevolent funding).

Renovated the Albemarle Baptist Home in Stanly Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the assisted living level of care resident, regardless of his/her ability to pay for the long-term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in order to provide an area for small group work with residents suffering from dementia. This stae-of-the-art program will enable Baptist Retirement Homes' staff to improve the quality of life experienced by members of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Carolina Baptists none of the above would have been possible. As a result of the prayers and funding that the "Homes" receives through the Cooperative Program and the North Carolina Offering For Older Adults, it has been able to offer hope to many Older Adults whose future would have been uncertain without the caring involvement of North Carolina Baptists. It is because of you that our institution has been able to make life for many Older Adults in 1993. . . The Best of Times.

Thank you North Carolina Baptists for your support!

Associational Report - 1993

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispendable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subsriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Life and Public Affairs

The Christian Action League

The most significant actions of the Christian Action League of North Carolina have been the effort to prevent the state-operated lottery and to lower the standard breathalizer limit from .10 to .08. In both cases we were successful because of dedicated efforts by a host of people, churches and groups.

As has been true for many years, the gambling proponents secured approval by the State Senate for the lottey. This time both Governor Hunt and Lieutenant Governor Wicker changed their previous opposition to the lottery and supported it. Only House Speaker Dan Blue stood unalterably opposed to it.

The Christian Action League conducted 20 workshops over the state seeking to build convictions against state-sponsored gambling. We were assisted by the NC Baptist Men, the Woman's Missionary Union, The Council on Christian Life and Public Affairs and the leaders of these organizations. Hundreds of persons attended these workshops and concern about legalized gambling and its evil was increased. Outstanding persons from Doug Cole and George Reed, of the Baptist State Convention, to leaders from other states, joined us in this tremendous task.

It succeeded because public sentiment against gambling increased and because of the strong stand of House Speaker Blue, to whom we are greatly indebted. The lottery legislation is not dead, however, and will come up again in 1994, as will bills to introduce pari-mutuel gambling to our state. The $300 billion gambling industry will spend huge sums to enable it to come into North Carolina.

After ten years of effort, we succeeded in getting the Legislature to pass a law lowering the standard for Driving Under the Influence from .10 to .08, which will make it possible to prosecute more drunk drivers and promote safety on our highways. These activities of the Christian Action League cost money to carry out and we are thankful for the support of North Carolina Baptists.

The League continues to assist local communities in combatting our number one drug problem, beverage alcohol. We have had some victories in this effort during 1993 and stand ready to come to the assistance of any municipality or county that asks for our help in this matter.

The Christian Action League is inter-denominational, having trustees from nearly 20 denominational bodies in our state, and having trustees in each of the 100 counties of North

Carolina. A portion of our state mission offering goes to assist in the work of the League, and we are grateful for this.

Vigilance is our watchword as we face the challenges of 1994.

Discipleship Training Report

Concerns expressed last year at the cluster "Town Meetings" which relate to Discipleship Training fell into the following categories: families, leadership training, evangelism, personal Christian growth, youth, and worsip. In an attempt to help address some of these concerns, the following seminars were sponsored:

Seminar Title	Attendance	Average per Church
How to Share Your Faith	about 50	1.2
New Age Religions	about 40	1
Marriage Enrichment	53	1.2
Living Your Faith on the Job	14	.33

A group studying *Experiencing God* by Henry Blackaby met at the Association office (3 persons plus the leader).

Children and Youth Bible Drills were held and were quite successful.

Every comment received about the above seminars has been very positive. Each seminar was led by a top quality person and was very well done. Attendance has been disappointing. We took what church members and pastors told us they wanted to see the Association do, and yet we have received minimal participation and support. The members of the Discipleship Training Council are open to comments, suggestions and dialogue.

Our plans for the coming year include:

- Association-wide seminars:
    - Family Budgeting/Money Management
    - Outreach - Reaching Baby Boomers/Busters, Cultural Trends, Mobile Home Park Outreach
    - Congregational Health/Managing Change
- In Clusters:
    - LIFE Courses and LIFE Support Groups
- Youth: DiscipleYouth in the clusters
    - True Love Waits process
    - Youth Bible Drill and Speakers' Tournament
- Children's Bible Drill:
- LIFE Courses for pastors. *Fresh Encounter* is being organized.

The members of the Discipleship Training Council are ready to help churches obey Jesus' command to make disciples. Please call us now.

Associational Evangelism Report

The evangelistic theme for 1993-94 is "Share the Gospel: Serve in Christ's Spirit." Churches are encouraged to participate in the "Here's Hope" simultaneous revivals to be conducted in the spring of 1995. Preparation for the "Here's Hope" should begin in 1994. In the fall, churches should appoint a Church Revival Committee consisting of secretary and the following chairpersons: music, prayer, publicity, Sunday School, telephone, and visitation. Resources a church might use in preparation include: Sunday School module, "Training Sunday School Workers in Evangelism," One Day Soul Winning Workshops, and Win Schools.

Your Evangelism Director attended the Evangelism Conference in February in Wintston-Salem and "Key Leadership" at Caswell in May. The Association and local churches worked with Campbell University in planning and participating in the Tri-County Crusade featuring Albert Long and his team. Some 90 decisions were made including 13 professions of faith.

Executive Committee Report

According to Article IV of our Associational Bylaws, the Executive Committee is composed of all Associational Officers, the Director of Missions (ex-officio), each active pastor, one lay member chosen by each church from its membership and certified to the Association in its annual report, and chairmen of all standing committees. The Executive Committee has the authority to act for the association between sessions, except as limited by the constitution. The Executive Committee meets quarterly and the members present at any meeting of the committee, shall constitute a quorum.

The Executive Committee of Little River Baptist Association has met three times during 1993, on January 19, April 27 and July 27. As important as these meetings are they have not been well attended. I, as Moderator encourage you to be a part of the decision making for our Association.

At the January meeting approval was given by Executive Committee, to purchase a new heating system for the associational center. In April a recommendation was made and approved to amend the 1993 budget to include $1,800.00 in line item 221-3-C of the budget for the Housing Equity Fund.

In July the Executive Committee approved a plan to have a Sunday School Enlargement Campaign in 1994. These and other actions will be reflected in the minutes of the clerk's report.

Your Moderator attended Key Leadership, May 3-4, at the NC Baptist Assembly. I have met with some of the committees as ex-officio member as they planned their work. I have enjoyed working with the Director of Missions and the Associational Council this year. May God continue to bless Little River Baptist Association in a mighty way!

Ordination Committee Report

The Ordination Committee met Monday, April 19, 1993 for the purpose of examining one young man for ordination.

Memorial Baptist Church requested that Edward A. McKeown be examined as a candidate for the ministry.

He was examined regarding his conversion experience, his call to the ministry, his doctrinal beliefs and other pertinent matters.

Following his examination, those present on the committee voted that he be recommended for ordination.

- One VBS Training Clinic
- Personal consultations with Sunday School leadership

We have added a new member to our team for next year. Chris Wroten will be our pastors' consultant. Chris will help pastors with their needed involvement in Sunday School.

This next year, in addition to our training schools, note this. September 10-12 we will sponsor a weekend Sunday School Growth Campaign for the association. Participating churches will have a personal consultant assigned to them. The emphasis will be on outreach. Help will be offered in updating or setting up a prospect file, finding prospects and visitation. This emphasis will help churches prepare for our "Here's Hope" revivals in 1994. So make your plans. Mark your calendars.

If you need help with Sunday School call me at 892-4566.

Thank you for the opportunity to serve.

Minister's Retirement and Church Annuity

A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection. The Annuity Board's primary focus is providing that protection for as many people and churches as possible through the Church Life and Health Program and the Church Annuity Plan.

New, cost-competitive life insurance plans will be offered January 1, 1994, to help address the affordability issue. In addition, a Health Maintenance Organization (HMO) option will be available on that date in selected areas.

The Church Annuity Plan is far more than a retirement plan. It is a means to provide family protection today as well as financial security tomorrow.

As of June 1993, 35,301 persons were participating in the Church Annuity Plan. The number of churches involved was 19,975.

Eligible participants in the Church Annuity Plan benefit in five significant ways.

1. The Plan includes a Protection Section that covers disability and death. In 1992, 318 families received disability checks from the Plan. In addition, 78 families received almost $1.2 million in survivor benefits. (If a member dies, the beneficiary

also receives the full value of the deceased member's retirement accounts.) All of these protection benefits are free to the members. They are funded by state convention Cooperative Program dollars.

2. The Plan includes a choice of plan funds offering valuable, advantageous investment opportunities for retirement. The average annual return in the Variable Fund over the past 10 years has been 13.01%. The Balanced Fund has averaged 11.79% over the same period.
3. The Plan offers significant opportunities for avoiding unnecessary income tax. Ordained ministers do not pay self-employment tax for Social Security on contributions to the Church Annuity Plan. These advantages exceed those offered by IRAs.
4. The Plan includes matching state convention Cooperative Program dollars for eligible members' retirement income accounts. This can amount to $210 per year resulting in higher benefits at retirement.
5. A fifth value is the Annuity Board's strength and stability. On July 1, 1992, a five percent increase was applied to Plan A and defined contribution funded annuities. This brings Plan A increases to 222% of what was called for by the original plan formula benefit.

Based on the needs of our people and in light of these special advantages, your convention is encouraged to lead every church to participate in the Church Annuity Plan.

Our ministry ever remains, **Serving Those Who Serve the Lord.**

Music Report

It was a good year for church music ministry in the Little River Baptist Association. It was a year of "firsts." The first of these was the "celebration" in March at Holly Springs Baptist Church. The combined choirs of Antioch Baptist Church and Holly Springs Baptist Church provided a special and the "Antioch Ringers" presented a handbell selection.

Next, in May, was the associational handbell festival at Campbell. Four churches participated in this: Buies Creek, First; Lillington; Memorial and Antioch. This was a tremendous evening and the combined rendition of "Worthy of Worship" provided a very appropriate ending to the handbell celebration.

Another highlight was the Albert Long Crusade in which choirs from each of our four clusters provided an anthem for each of the evening services.

It was a joy to worship our Lord and Savior through music. We give Him the glory.

World Missions Report

Southern Baptists share a rich heritage of missions that has endured for a century and a half. Today's Southern Baptist missionaries join a long list of servants like Lottie Moon, William Bagby and Bill Wallace in sharing the mystery found in Colossians 1:27: "Christ in you, the hope of glory." They are builders laying the foundation for a bridge you can cross to a needy world.

In 1992 Southern Baptists joined believers in 129 countries to share the rich message of Christ's forgiveness. Just as for the last 148 years, that message has brought a bountiful harvest.

NEW LIFE - through churches related to Southern Baptist efforts, 1992 proved another record setting year for baptisms around the world of 251,901. This represents an 8% increase over the previous year.

NEW FELLOWSHIPS - 1,606 churches were born in 1992. This 5.8% increase in one year demonstrates the aims of the Foreign Mission Board which strives for continual evangelism through the establishment of churches.

NEW STRENGTH IN CONGREGATION - The total number of churches relating to Southern Baptist foreign missions created the 30,000 mark for the first time, finishing with 32,797 by the end of 1992. This represents a growth of 17% in one year.

NEW FAMILY MEMBERS - Overseas churches recorded a 15.5% increase in members in just one year, bring total membership to 3,450,900. This total crossed the 3 million barrier for the first time in Southern Baptist history.

NEW PLACES TO HEAR THE GOSPEL - For the fourth year in a row more than 10,000 Southern Baptist volunteers traveled on a short-term basis around the world to share the faith. The volunteer total reached 11,343.

NEW HOPE FOR EVANGELISM - Churches relating to Southern Baptist foreign missions baptized an average of one new believer for every 12 church members in 1992. This ratio is more than three times greater than the same evangelism comparison for Southern Baptist churches in the U.S.

NEW MISSIONARIES AT THE TASK - The Foreign Mission Board appointed 414 missionaries, bringing the total mission force to 3,893. These are serving in 129 countries and also assisted Christian outreach in another 27 countries. However, because of retirements, resignations and completeness of service, the total missionary force at the end of 1992 was actually lower than 1991's ending total. Pray that many new missionaries will hear God's call in the coming years.

NEW LIFE FROM THE COMMUNIST RUBBLE - Missionaries have established partnerships and ministry relations with the fast-growing churches in the Ukraine, Belarus and Russia. This means helping more than 1,350 churches that worship in these former Soviet republics.

NEW INROADS TO DIFFICULT LOCATIONS - Southern Baptist representatives working with Cooperative Services International continued to move into areas where people have never heard the gospel of Jesus Christ.

NEW AID TO THE SUFFERING - The curtain has been pulled back for all to see the suffering in Somalia, the Sudan, Ethiopia and other countries. Our missionaries have shared both physical bread and the Bread of Life as doors were opened to reach these suffering people.

As we prayed for foreign missions last year, we sent $81.4 million dollars through the Lottie Moon Christmas Offering, and $69 million through the Cooperative Program. In addition to this $7.4 million was sent to a hurting world for relief and hunger needs. If we continue to "cross the bridge" to the rest of the world which needs to know the love and redemptive message of the Lord Jesus Christ, we must also undergird that bridge with our prayers and our gifts.

Through fourteen different programs, the Home Mission Board is equally hard at work, to reach the unclaimed millions in our own country for Jesus Christ. From Juneau, Alaska to Miami, Florida, from a seaman's ministry in New Orleans, to the heart-breaking task of building churches in Mormon dominated Utah, Home Missionaries are hard at work sharing the greatest gift of God: His only begotten Son, who came into this world that they might too have life abundant here and eternal life in Heaven.

Let me share some of the highlights of the 1992 year in Home Missions:

ASSOCIATIONAL DEVELOPMENT - assisted 7 cities and 11 associations in developing associational evangelism strategies.

CHAPLAINCY MINISTRIES - the 2,293 Southern Baptists now serving as chaplains reported 24,000 professions of faith and 4,600 baptisms.

CHRISTIAN SOCIAL MINISTRIES - the 341 missionaries reported 11,990 professions of faith and 1,239 baptisms.

CHURCH EVANGELISM DEVELOPMENT - conducted 450 Renewal Weekends, challenged 65,000 people to become involved in ministry.

CHURCH EXTENSION - supported 1,300 missions personnel in 1,400 congregations.

INTERFAITH WITNESS - reached 30,000 Christians each month with resources for reaching Mormans with the Gospel.

LANGUAGE MISSIONS - supported 1,825 home missionaries and pastors serving among 102 ethnic groups using 98 languages and dialects. Started 515 congregations.

MASS EVANGELISM - provided leadership for 36 new crusades. Continued "Here's Hope for '95."

METROPOLITAN MISSIONS - related to 7 Canadian and 332 U.S. metropolitan areas to orient, train, and/or support 92 Directors of Missions in 22 state conventions.

SHORT-TERM VOLUNTEERS - More than 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana, and Hawaii. More than 200 churches were constructed by volunteers.

SPECIAL MINISTRIES - There are now seaman's ministries in 37 port cities and 200 missionaries involved in ministries related to college students, resorts, special events and diplomats.

AND SO MUCH MORE - time and space will not permit to share the whole story. Subscribe to MISSIONS, U.S.A. AND THE COMMISSIONS, for the rest of the story!

W.M.U. Director's Report

Last summer, as we began to plan and work toward the new year 1992-93, my thoughts were very much in 1991-92, especially as I remembered the wonderful annual meeting at Neill's Creek Baptist Church. How our hearts were thrilled and challenged as Non Kay Bickerstaff shared with us the needs of our work in the state of New York. We really felt "called and accountable" as she told us of the urban sprawl of New York City, the hundreds of smaller towns and cities with no evangelical witness of any kind, and the need for many to come and share our Savior's love with the people of this "mission land."

In July the Associational Council traveled to Caswell for training with our state leaders. For my part, it was a time of renewed commitment to our W.M.U. organization. How thankful I was that we had such a good leader as Nancy Curtis. Little did I realize that within a few months she would be telling us all "goodby." A major part of our time together at that meeting was spent in planning our year's work, seeking new, creative ways to reach the W.M.U. leadership in the local churches for training.

As the old saying goes, even the "best laid plans of mice and men, always come to some bad end." Well, our Leadership Conference in September was not bad, in fact we had some great conferences, but we only had 70 present representing 20 churches. This was the lowest attendance we have had in several years. This means that we had 18 churches with no one represented in any of the age-level conferences. Again, it is our prayer and goal to have every church represented at our fall leadership conference.

The W.M.U. reports sent in on the church letters to the association revealed that at the end of the 1991-92 church year we had a total of 135 organizations. Last year we reported 141. However, I went back and recounted 1990-91 and found we really had 131. This means, in spite of the loss of several organizations we did have a net gain of 4 in 1991-92. We are happy for that.

May I urge those who fill out the report for the annual church letter, especially in the reporting of Baptist Women organizations, to remember that no matter how many groups you have, you have only **one** Baptist Women's organization. This is true, unless you have two organizations with a complete slate of Baptist Women officers for each organization.

I commend the members of the Associational Council who have worked hard this year in planning and promoting many worthwhile activities. I commend the churches of our association for their fine response to our request for money for Christmas gifts for the women in Central Prison; the lunch bags that we prepare each year for the Spring Fling at Campbell; migrant kits; a van full of craft items plus $276 in cash for the Munda Vista shower. We do so many things well together!

This year will be crucial for us as a W.M.U. organization. Read the *Biblical Recorder* each week for actions that will be taken that affect the future of W.M.U. Pray for Dellana O'Bryan, our Director, and Carolyn Miller, our president. As we look forward to 93-94, let us commit ourselves and our organization to "the God whom we love and serve," and "who does all things well," knowing that He will not lead us astray. With courage and determination, may we continue to "**Lead On!**"

A Memorial Meditation

One of the memorials mentioned in the New Testament explained by Jesus was not on the subject of death but in reference to a living deed. It alludes to the woman who broke the alabaster bottle of costly ointment to anoint the body of our Lord before his forthcoming death. Jesus said wherever this deed is remembered is to erect a memorial to this woman!

Another memorial act is recorded in the Acts where a devout man named Cornelius offered his prayers with his alms to become a memorial before God.

Probably the most meaningful is the Memorial Supper instituted by our Lord. He did not request a stately temple in His honor, nor paen of everlasting praise, but observing the broken bread on the table and the fruit of the vine in the common cup. He said by partaking these elements we memorialize His death and its lasting meaning.

In light of these scriptures of recorded deeds, each of us builds his own memorial, in terms of loving, sacrificial service in behalf of others. With this we need not mourn the departure of loved ones, but rather rejoice in their memory!

It is not what we say here, but rather what we do here that constitutes our living memorials. Truly, "We live in deeds, not just in figures in a dial."

Executive Committee Report

This year of 1994 has been a very busy time. The Associational Advisory Council changed from quarterly to monthly meetings. I have attended all but two of these meetings. The Executive Committee has met three times this year; January 25th, April 26th and July 26th.

On May 2nd and 3rd, I attended Key Leadership Training at Camp Caswell where I met and shared experiences with Moderators from other associations.

Many changes have taken place in Little River Association this year. A new Spanish Mission was started and is now meeting in the Pleasant Plains Memorial Association's church building which we were able to rent at a very reasonable cost. The church is located at Buies Creek.

The first class in English as a second language, ESL, on an associational level was taught having three graduates. Many churches participated in the Sunday School Enlargement Campaign. We were able to have the Medical-Dental Van for a day and this was a very successful ministry to many families.

Several churches sent missions groups to New York and various other places. I have met with many of the associational committees including several times with the advisory board to Anderson Creek Ministry Center.

All things considered these four years, two as Vice Moderator and the past two as Moderator of Little River Baptist Association, have been a growing experience for me. I have a deep love and concern for all the churches in the association.

I want to thank you all for giving me this opportunity to grow in my walk with God. Thank you for your patience with me, your prayers for me and most of all for your love and understanding. Please join me in prayer support of the new Moderator and Vice Moderator and all the associational officers as they come to lead the association in 1995.

Respectfully submitted,
Eleanor F. Owen

IMPORTANT ANNOUNCEMENT

The Brotherhood organizations in the Northern Cluster of LRBA churches have completed construction of a Disaster Recovery Trailer. The purpose of this trailer is to assist in clean-up and disaster recovery as needed. The trailer will be on display throughout this Annual Meeting.

Brotherhoods in other LRBA Clusters are in the process of obtaining similar trailers. This will provide a distinctively Christian witness to our area and beyond.

Jesus Cares For You

Litany of Gratitude and Commitment

LEADER: Jesus cares. He cares for the lonely, the broken in spirit, the hurting, and those alienated from the mainstream of life.., the spiritually lost. He has a special place in His heart for the poor, the sick, the handicapped. His yearning is that all people will experience the Abundant Life that God gives freely to the children of faith.

ALL: May the name of Jesus be exalted for His wonderful love.., his all sufficient and saving grace.., His forgiveness.., His compassion.., His inclusive care.

LEADER: Jesus cares for you.., in particular. He knows your name.., your history.., your roots.., your pains.., your triumphs and failures. His everlasting arms are long enough and love so deep that He can reach to where you are. He can lift you out of your despair.., out of your lostness.., into the glorious and victorious life in the family of God.

ALL: My voice is raised in anthems of praise. Even though belonging seemed only a dream, I now rejoice in the reality. It is wonderful beyond words. I want others to know.., those near by.., those across town.., in other cities.., in far away places. I want the whole world to know.., to experience.., to be a part of the family of God.

LEADER: Jesus calls you to share. He calls you to give away the Gospel. To do it by word, by attitude, by acts of compassion, caring, forgiveness.., to love as He loved us. He wants you to capture the windows of opportunity that come each day to be ambassadors of grace.., to be the instruments of the Holy Spirit in rescuing the perishing.., healing the broken hearted.., nurturing them to spiritual wholeness.

ALL: Yes! We are yours.., children of the Kingdom.., children of Resurrection.., ready to share the Gospel, ready to live the Faith.., to care as did Jesus.

LEADER: Jesus will empower you. He will shape your talents, direct your thoughts, lead you through the valleys, climb with you to the mountain tops. He will walk with you into ghettoes, and into the places of affluency. He will give you the wisdom of His Word, and make your weaknesses into strength. Nothing is too hard for God. Just as Jesus cares for you.., the world will see that you care.

ALL: “Here am I, send me, O Lord.” Take what I am, what I have.., take my feet of clay.., and let me be your vessel.., bearing the abundant life to all who will believe.

Baptist Children's Homes of North Carolina

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce. Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880's and every year since, Baptist Children's Homes provides that anchor for hundreds of children. In 1992-93 BCH served 1,469 young people and their families. This was all time high figure. Through services provided at 13 facilities statewide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Baptist churches provided about one-third of the $11 million necessary to care for those children. Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist Children's Homes, and the children it serves, in their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the intensive group process at Kennedy Home. *"I wanted a way out. I saw (suicide) as the only way. I had totally turned my back on God."* Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to the Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between her renewed faith and the peer group process, Amber has begun to resolve the difference with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister. *"Just being able to talk through it with group and with staff helped make it better"* Amber said. *"They helped me understand mom may have moved out, but she never left me. She's always been supportive."* Working through problems at BCH involves identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child" but is a "child with problems." *"If I was alive without this place, I wouldn't be in a happy life,"* Amber said. *"I'm really thankful there are places like this."*

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serve them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

The Biblical Recorder

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. *The Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now, with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church New Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the *Biblical Recorder* which saves staff time, postage, and printing costs. Usually , for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, *"The North Carolina Baptist Way"* has become even more important to us than ever before.

Music Report

The past year my role in the music ministry of the Little River Baptist Association was very limited. The Associational Choir has just recently begun rehearsals. I am hoping that the upcoming year will bring a better participation from other Associational churches. It is my vision to see our churches grow through music in preparing the hearts for the preaching of the Word.

I sincerely want to challenge our church musicians to come together and work in a better capacity to worship in music for the Association. I also want our associational churches to know that I am available if they have a need in the area of church music.

It is our joy to serve through our Lord.

Discipleship Training Report

We are in transition. Associational Discipleship Training as it has been done has proven for several years to be ineffective all across the SBC. Therefore, Wendy Edwards of the Discipleship Training office of the Baptist State Convention of NC has developed a process for Associational Discipleship Training which focuses not on "programs" but on discipleship as a process of growth in our relationship with Jesus Christ and all that means in our daily living.

The steps we will be taking are as follows:

- Develop a purpose statement for Associational Discipleship Training;
- Hold strategy meetings with pastors and lay persons to learn discipling needs and what can be done to help meet those needs;
- Provide discipling studies in the association's clusters to train leaders to provide similar studies in their churches;
- Develop other projects based on discovered needs.

Our purpose statement adopted by the Discipleship Training Council and approved by the Association Council is:

> The purpose of Discipleship Training of the Little River Baptist Association is to assist the churches in developing and equipping disciples through the power of the Holy Spirit in;
>
> - A lifelong process of growing in Christ;
> - Ministering to other's needs;
> - Witnessing of the gospel; and
> - A life of Christian love in one's family, church, and community.

In accordance with the new process, note that the members of the D.T. Council are no longer listed with age-group responsibilities. Each member of the council will specialize in a phase of discipleship, but their responsibilities will go beyond those specialties.

One major project which we plan to implement this year is to develop a LIFE Support ministry in the association and to assist churches to develop such ministry of their own. The LIFE Support Series is "an educational system of Discovery and Support Group resources for providing Christian ministry and emotional support to individuals in areas of social, emotional, and physical need" in Christ-centered, Biblical approach designed to help persons deepen their relationship with Jesus Christ and experience His healing in their lives.

Pray with us that we will see what God wants to do in making disciples.

World Missions Report

New high marks in total number of baptisms, churches, church membership, new churches, missions and preaching points, and membership in Bible teaching ministries were recorded by the Foreign Mission Board for 1993.

Totals reflect the work of missionaries, the overseas Baptist groups with which they work in partnership and more than 11,000 Southern Baptist volunteers. "I believe we're seeing a spiritual momentum that can't be deterred," said Foreign Mission Board President Jerry Rankin, elected last June. "Over the years we've dealt with gains and losses, peaks and ebbs, but we've moved into a new era of steady improvement," he says. "This spiritual momentum means God is moving. My concern is that we be part of that. This goes back to what I've said before, that God will achieve His goals in the world. Our task is to join Him and be part of His plan."

Churches to which Southern Baptist Missionaries relate have nearly doubled in six years. In the last year alone the number grew by 2,391, a 7.29 percent increase, to reach 35,188 in 1993.

Church membership showed an 8.26 percent increase over the previous year reaching 3,735,949. Baptisms recorded by overseas Baptists, missionaries and volunteers set a record for the third straight year, totaling 262,758. The consistency signals the breaking out of the board's cycle of radical ups and downs in baptism growth rates.

Emphasis on church growth helped set a record for the number of congregations constituted into new churches: 2,019 in 1993. Missions and preaching points increased from 23,889 in 1992 to 25,327 in 1993, a 6 percent growth rate.

Bible teaching ministries showed a total enrollment of 2,230,282. The name change for this category from the former "Sunday School" reflects more accurately the various forms of Bible teaching, but the bulk of it still comes from the traditional Sunday School.

World A: That part of the world with little or no access to the Gospel represents another high point. In 1993 the board sought to reach 85 of the world's 212 least evangelized people groups. In 1993 World A helped establish 37 new churches, baptize 746 people and begin 237 preaching points. They now work with 131 churches with a total membership of 54,553.

Barriers are still being raised to keep the Gospel from entering or growing in many parts of the world. China has issued new bans on religious work, with two new decrees banning churches not registered with officially recognized religious bodies and forbidding "proselytizing" by foreigners. Foreigners can only preach in China with government approval.

Across eastern Europe, repressive governments and powerful state churches still are erecting barriers to evangelical work. Baptist leaders from 18 European countries told a consultation on human rights and freedom of the increasing difficulties and stated that Baptists still have to fight for their rights.

President Jerry Rankin urged trustees and staff to focus on the denomination's Bold Mission Thrust goals and mobilize all resources and manpowers and emphasize God's power in order to evangelize the world now.

The Foreign Mission Board's total income for 1993 was $189,531,000 with 42.77% coming through the Lottie Moon Christmas Offering.

As we turn now to look at the work of the Home Mission Board through the Southern Baptist Convention area, first of all we want to say a big "THANK YOU" to Annie Armstrong. This year, 1994, we celebrated 100 years of this very special offering. Begun in 1894 to help a struggling Home Mission Board get out of debt, it has grown faster than eighth Cooperative Program giving, total tithes and offerings, or total mission expenditures. It is interesting that only 10% of all SBC churches contribute more than one-half of all AAEO dollars. Over 7,000 SBC churches reported no gifts to home missions through the AAEO in 1992. You are probably asking, "How is this money spent?"

Part of it was used to conduct conferences on "How to Develop a Strategic Associational Management Plan" and helped mission directors plan for Mega Focus Cities, Metro Thrust and Town and Country Thrust; teachers were equipped for Total Church Life at two Schools of Evangelism and Church Growth; in Christian Social Ministries, department missionaries recorded 15,495 professions of faith, 983 baptisms, 26 new missions, and 196,270 volunteers working in church and community missions. During the Southern Baptist Missions Emphasis Jericho held at Ridgecrest and Glorieta, conferences were conducted on migrant, family, hunger, and gang ministries.

The program of church Evangelism Development works with and assists SBC churches, associations, state conventions and agencies in developing church strategies and processes to interpret, promote and relate the message, methods, and motivation and spirit of New Testament Evangelism. More than 14,000 were enrolled in Correspondence Bible Courses in 1993; 1,000 youth and youth leaders attended a SonRise conference at Ridgecrest and more than 1 million teens participated in "See You at the Pole," gatherings at their flagpoles to pray for the schools of our nation.

The Church Loans Division closed 120 church loans totaling $32.0 million including $3.2 million refinancing. The Interfaith Witness Department has trained more than 600 volunteer associates in all 41 state conventions, to lead seminars on 40 interfaith witness subjects. Interfaith Witness staff and associates conducted more than 700 conferences, addressing 43,000 people, and printed more than 650,000 pieces of literature - in English, Korean, Laotian, Vietnamese, Russian and Spanish.

Language Missions worked among 102 ethnic groups using 98 languages and dialects. Financial assistance was provided to 1,653 missions personnel, and 585 congregational units were established.

And there is so much more. In 1993, 4,882 home missionaries were under appointment; the Home Mission Offering amounted to $36,319,471 and more than 61,000 short-term volunteers served one week or longer, and church construction volunteers saved an estimated $15 million in reduced building costs.

Baptist Retirement Homes of North Carolina, Inc.

As a result of the wonderful support given by North Carolina Baptists, 1994 will be remembered as one of the finest years in the 43 year history of Baptist Retirement Homes. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step-up" for Older Adults, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults, (80% of that group being classified as the poor elderly...men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptist for helping us make life for Older Adults...THE BEST OF TIMES!

North Carolina Baptist Foundation, Inc.

With the 75th anniversary of the chartering of the NC Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to individuals for a total income distribution of $2,439,965.

The income distribution for the entire 74 years history of the NC Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 210 Convention Dr., Cary, NC 27511, telephone number 919-380-7334.

Annuity Board Report

While the Sunday School Board, Home Mission Board and Foreign Mission Board focus on God's message, the Annuity Board focuses on God's messengers. For over 75 years the Annuity Board has been serving those who serve the Lord. The Annuity Board offers security for pastors, other ministers, eligible church and associational employees and their families.

The Personal Security Program offers up-to-date insurance products to protect against the large and small bumps and scrapes of life. The program includes a Term Life Plan, Personal Accident Plan, Disability Plan and a choice of medical plans. This is a flexible program; coverage can be tailored to meet each family's unique needs. Each plan is available alone or in combination with other plans.

Over 22 ,000 church and associational staff members participate in the Term Life Plan. They have found this Plan provides the protection they need at a cost competitive with comparable plans in the marketplace. In this era of rising medical costs, Personal Security Program medical rates have not increased since 1992. Nearly 20,000 Southern Baptist church and associational workers enjoy the projection the medical plans provide.

The Church Annuity Plan provides financial security both before and after retirement. Its Protection Section, funded by state convention Cooperative Program dollars, includes supplemental disability and survivor benefits. State conventions also provide matching retirement dollars for eligible participants. This plan, designed by Southern Baptists for Southern Baptist churches and associations, provides opportunities for tax savings, competitive investment returns and the flexibility to meet each participant's special concerns. At the end of May 1994, 36,075 participants serving 20,131 churches and associations were active in the Church Annuity Plan.

With $4.4 billion in assets and over 75 years of experience, the Annuity Board offers its participants security and stability. The Annuity Board recognizes each dollar represents retirement income or life and health protection for a Christian servant in a Southern Baptist church, association, state convention or agency. The Annuity Board's mission is unchanged: it exists to serve those who serve the Lord.

Baptist Hospital

Our Hospital healing team now consists of 5,777 employees. The Medical Center personnel total employment is fast approaching 9,000 people making the hospital the second largest employer in Forsyth County. The 806 bed facility, there were 23,545 inpatient admissions during the fiscal year 1993-1994. The Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE: The chaplaincy division joins with the healthcare professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of Department of Pastoral Care, continues to expand and strengthen. To date thru 1993, 40 ministers have completed intentional interim training and 29 are in training. The number of churches calling intentional interim pastors continues to increase. The training of consultants for conflicted churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours of counseling, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. His eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

BAPTIST BENEVOLENT CARE FUND: Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

Christian Life and Public Affairs

The Council on Christian Life and Public Affairs of the Baptist State Convention has had a busy year, dealing with our responses to world hunger, aging and single adults, family life and substance abuse, and public issues such as the efforts of gambling interests to get our state into the gambling business. All and all, it has been a good year for Baptist involvement in public affairs.

We have worked with other denominations on many of the moral and social issues through the Christian Action League of North Carolina. The league is an interdenominational coalition with trustees from nearly 20 denominational bodies in our state and is represented in each of the 100 countries. Through the League and our Council on Christian Life and Public Affairs we have successfully blunted the efforts of the gambling industry to penetrate our state.

These efforts have been successful because they have been backed by prayer and activity not only by the groups already named, but by NC Baptist Men, the Woman's Missionary Union, and other both among Baptists and other denominational bodies.

In addition, the battle with the liquor and beer interests continues, and at least eight counties and cities have won votes against them during the year. A notable one was in Harnett County, where all the groups listed above, and others as well, combined to win a vote against widening the sale and use of beer in the county. Leaders in our association were involved in this effect.

Every time the State Legislature meets we have to unite again to face the foes of moral and social righteousness. We are thankful for the leadership of the House of Representatives, especially Speaker Dan Blue, for his strong and effective leadership in this area. We thank God for the support of our people in the **Little River Baptist Association** for the Ministry of Applied Christian Faith in society. We are rising to the challenge of Christ to be the "Salt of the earth" and "the light of the world."

WMU Report

"Serve in Christ's Name" was the WMU's theme for 1993. We were challenged to **"Serve in Christ's Name"** in many different ways with an emphasis on serving where the Lord has placed us. God has gifted each of us in a special way for service. He expects us to use our gifts wherever He sends us - aboard, across the country or state, or right here in the Little River Association. What joy and peace we share through obedience to the Master.

Some of the highlights of 1993 and 1994 were:

October 1993 -	Baptist Women had an opportunity to visit the WMU Headquarters in Birmingham.
November 2, 1993 -	World Day of Prayer was attended by 75 with an offering of $150.69.
February 15, 1994 -	Appreciation Banquet for Pastors.
March 11-13, 1994 -	Three-day Prayer Retreat at Caswell. The prayer and worship time was led by Mrs. Ruth Jackson from Asheboro with Mrs. Dawn Hendricks of Baltimore, Maryland sharing her gift of music. We were blessed by Crosswalk, a drama team, Mrs. Leigh Ann Thomas and Mrs. Holly Needham, from Broadway Baptist Church.
April 16, 1994 -	Providing lunches for Spring Fling at Campbell University.
April 20, 1994 -	Our WMU Annual Meeting was held at Dunn First with keynote speakers Archie and Carolina Jones, retired missionaries from Chili. Mrs. Zelle Phillips installed our new officers, and Mrs. Vivian Simpson, retiring WMU Director, was honored for her many years of dedicated service. There were 115 in attendance representing 24 churches.
June 1994 -	Several of our Acteens organizations traveled to Birmingham to attend NAC (National Acteens Convention).

The theme for 1994-95 is **"A Time to Grow."** This year WMU will be starting to get ready for the many organizational changes which will take place in the fall of 1995. The WMU Council was given a preview of these changes when they attended their leadership training this past summer. We also learned that according to the 1993 Uniformed Church Letter, we have 143 organizations with 1,886 members. With God's help and leadership **"A Time to Grow"** more than ever. I pray we need as we grow in Christ. He truly does have much more to show us.

Linda S. Lee - WMU Director

Belarussian Children Project

You may have longed to participate in a foreign mission partnership project but have not been able to participate. Here is your opportunity ----- a **Belarussian Project.**

The purpose of the Belarussian Project is to bring children from Belarus here for six weeks in Summer, 1995. These children live in an area of Belarus that was contaminated by the Chernobyl nuclear plant melt-down several years ago. Doctors have determined that if a child can be taken out of the contaminated area for six weeks, the immune system will purge itself of ill effects, and the child can return recharged and more likely to live a normal life without illness caused by the radiation.

What difference will their coming here make? The doctors say that the child's life can be extended by 25% just by getting out of the contaminated area - air, food, water. In addition, we have the opportunity of working with them in a Christian environment for the six weeks. Who knows the lifetime results of such contact.

Why were these particular children impacted so much? Their city is north of Chernobyl, and the wind currents there blow from south to north. These children received 75% of the radioactive fallout.

Is there danger of radiation to the host family? No, these children pose no health risk to those of us that spend time with them. We will, however, become very attached to them. The children and the hosts will be changed, but for the better.

From what sort of families do they come? Some of these children come from atheistic families. After having spent six weeks in the home of a Christian family in the USA, it is not uncommon for them to return with a Russian Bible and ask their parents to read the Bible and to pray to God with them.

Where do they come from? They come from the city of Mogilov. This city has a population of over 400,000 with only three Baptist churches.

What about the language barrier? This is not a problem. Some of the children will speak some English, and a host/interpreter will accompany the group. The interpreter will stay in a host home and will be available to any group meeting that we have and will be available by phone at anytime. Much communication is done with tone, facial expression, hand signs, and body language.

What ages will the children be? The children will range in age from 7 to 14.

What is the cost? The cost per child is approximately $600, which covers round-trip airfare, insurance, and visa expenses.

What other expense is there? In addition to the monetary expense, it will be necessary for us to have host families for the children. Ideally, a child could stay with one family for the whole time, however, other shared type experiences are allowable.

When does a decision need to be made? We will vote at the annual meeting on whether to participate in this project. It would be helpful if we knew before the meeting approximately how many persons and churches were interested in participating.

In Memoriam

It is proper and fitting that we pause in our deliberations to engage in this moment of reflection, to honor and memorialize those who have served in our Churches and Association and who have now gone to their reward.

It is wise that we examine our concepts of death anew, that we be not in error concerning its purpose as a part of life. Though it may end a part of life, but not its relationship, that it can be God's final Healer.

We believe our dead in Christ are not lost for we know where they are: they know where they are, and have found the way Home.

This should be a time of re-affirmation that reunion with those gone before will become a reality of our own experience. Death does bring a great gulf of separation which is only temporary. We believe as David, whose young son was taken from him, declared in faith, "He cannot return to me, but I shall go to him." Our reunions are not subject to the changing tides of man, but to the Divine plan of God.

As I bade a dying friend and brother farewell, his confident reply was, "I shall wait for you near the Great White Throne!" We respect and honor all those who keep the watch for us until all are gathered Home!

Church History of East Erwin Baptist Church

ast Erwin Baptist Church was started as a result of a Sunday School class that met on Sunday ternoons in the summer of 1935 in the Orange Cafe in East Erwin. The class was led by Mr. hurman Turnage, a member of the First Baptist Church of Dunn. Later that same year the class as moved into a building used by the Textile Workers Union of Erwin Mills. The class then ecame a mission under the guidance of Rev. G. Scott Turner, pastor of the First Baptist Church f Erwin. In 1938, Rev. Norman Edge held a revival at the mission which resulted in the salvation f five people. These five people became the first five charter members of the church. The Sunday chool class met with a committee from the Little River Baptist Association and from that meeting e East Erwin Baptist Church was constituted. The following year in 1939 the church was entered to the Little River Baptist Association.

ev. Norman Edge was called as the first pastor with W.S. Stewart, W.J. Davis, and Lee Carter rving as deacons and trustees. A lot purchased from W.S. Stewart was used to erect a church uilding. The foundation was laid on September 13, 1938 at which time there were 20 charter embers.

n April 7, 1940 the first service was held in the new building even though it was not fully finished. oards laying on cement blocks served as the first pews. At the end of the 1940 church year, the tal membership was 113 and the property was valued at $2,700. The church building was formally edicated on September 23, 1945.

n August 24, 1957 a three acre tract of land was donated to the church by Erwin Mills for its ture growth. The present facilities were built on this land and were dedicated on February 20, 66.

East Erwin has been served by 18 pastors since its beginning in 1938.

CHURCH HISTORY
of
SWANNS STATION BAPTIST CHURCH

In 1871, a Baptist Church was built near Swanns Station in Moore County (now Lee County). The new church, Camerons Grove Baptist Church, was named after John M. and Sarah Cameron who donated the land.

The founder and first preacher was H. W. Graham. In 1899, twenty-one members constituted the church. In the early 1900's, some of the members felt that the church should be moved from the Camerons Grove location to the present site. In 1912, a lot was donated for a new church building. Members voted to change the church name to Swanns Station Baptist Church.

Due to hard financial times, the church became one of a four-church field in 1925. Swanns Station Baptist became self-supporting once again in 1965.

The church hired it's first Pastor in March of 1966, the Reverend W. R. Schillinger, a retired minister from Pittsboro. He drove to Swanns Station on the first and third Sundays of each month to conduct worship services.

In 1967, the church bought a parsonage in which Reverend Schillinger could live and pastor. The people of Swanns Station Baptist called their second full-time pastor, Reverend Robert H. "Bob" Brown, on March, 1976. He was pastor of the church until October 1987.

Ground breaking ceremonies for the present sanctuary and education wing were held on April 29, 1972. The building was completed and dedicated on June 17, 1973.

Reverend Joseph V. Watterson, a retired Army Chaplain, served as Interim Pastor until June 1988. The church began construction of a fellowship building in October 1987 and dedicated it for the Lord's purposes and work on Homecoming Day, October 16, 1988.

On June 12, 1988, the congregation of Swanns Station Baptist Church called Russell Blackmon as pastor and ordained him at the church site October 3, 1988. Using money donated as memorials, the stained-glass windows with the scenes portraying the life of Jesus were installed in April 1995.

Reverend Blackmon and the congregation are grateful for the privilege to host the Tuesday sessions of the 1995 Annual Meeting of the Little River Baptist Association.

Baptist Children's Homes of North Carolina

For six-year-old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister - and praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road.

Her darkness, more than just a light a switch clicked off, swirled with pain, fear, confusion and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Serving 1,513 children and families in 1993-1994 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, theraputic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities's direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH published *Intent to Serve,* a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October 25 years serving over 900 young unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

A chapter of BCH life closed with the death of alumni, employee and friend Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's Homes will ever see another individual who invests himself so fully in this place as did my friend Bill Sisk."

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-forth of BCH's $12 million budget with gifts totaling $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Putting words into action described numerous individuals who gave time and effort with special campus work projects.

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage and building a storage shed; and a Kennedy Home tearing down an old gym built in the 1930's restructuring an old picnic shelter into an arts and craft center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym. "We pray about these kids, and we pray that we will be examples," said Allen Holmes, Denver Baptist's mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10 million campaign, *"Light Their Way"*, to raise money for special projects, operational needs and endowment. the campaign will run September 1995 - May 1997. Many children, like Malinda, suffer in darkness. many families linger in pain waiting for answers, waiting for help. Because of Baptist's support, BCH is able to *"Light Their Way"*, offering hope, security and love.

BAPTIST COLLEGE/UNIVERSITY REPORT
1995

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University and Wake Forest University.

For 1995 the Convention's Christian higher education budget is $6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

NORTH CAROLINA BAPTIST FOUNDATION, INC.
1995 ANNUAL REPORT

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provided for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefits of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estate. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, 'Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available at the Little River Baptist Association or by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to this address: 201 Convention Drive Cary, NC 27511.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

The Little River Baptist Association is in for a real treat this year. Dr. Edwin Coats will be at our associational meeting in person most of the day Tuesday, October 24, 1995 at Swanns Station. This will be a good time to corner Dr. Coats and ask all the questions we would like. Dr. Coats is going to give us some ideas about how to better fund our association and at the same time help some of our senior citizens financially.

NORTH CAROLINA BAPTIST HOSPITALS, INC.

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches in North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

Affectionately known to many simply as "The Baptist", our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1944-45, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis: Department of Chaplaincy and Pastoral Education; The Center for Congregational Health, which provides ministry to churches, pastors and staff, congregational leaders, enables the training of international interim pastors and offers workshops and other events; Department of Church and Denominational Relations, which serves as the liaison between Baptist Hospital and churches, associations, and convention, as well as other church groups; and Pastoral Counseling, which has 13 counseling centers. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering.

Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.

Accreditation with Commendation, this distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.

With a Fall 1995 opening date an Emergency Department/Dietary Building of 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. it will also house a 35-bed day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.

Comprehensive Outpatient Rehabilitation Facility which will be 64,000 square foot facility scheduled for completion in the Summer of 1996. Sticht Center on Aging and Rehabilitation Facility houses a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, geropsychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring of 1996.

Historical methods of delivering Healthcare are changing in significant ways. we are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of North Carolina Baptists, and most significantly, the providence of our Lord. trusting in these, we move forward boldly and confidently into the future.

Baptist Retirement Homes of North Carolina, Inc. Making Life for Older Adults..The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc...the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptist for helping us make life for Older Adults...**The Best of Times!**

BELARUSSIAN PROJECT REPORT 1995

The first of several Belarus Steering Committee meetings was held in February. The goal of the project was to bring 15 of the youth from Belarus to the Little River Baptist Association area, so their bodies could get relief from the air contaminated by radiation from the Chernobyl disaster.

After much prayer the host families were selected. A series of "Informational" meetings were held with the families in March, April, and May. To help them with any "problems" that might arise. Language, cultural, and religious differences were all discussed.

During this time, contributions had been coming in to finance the project. Professionals were being contacted and many volunteered their services to help with physical exams, eye exams, and dental work.

In June, with a lot of excitement, the committee boarded the bus to Washington to pick up the 15 children and their interpreter *Tatian Ivanchenko*. For the next 6 weeks the children were members of their American families. The children were busy keeping eye appointments, getting physical exmas, and having dental checkups. These were scheduled around family vacations, and boy did some of them get to enjoy family vacations. They went to the mountains and beaches in North Carolina, Florida, and Virginia, Carowinds, and the North Carolina Zoo, just to name a few. There was time scheduled for the children to be with each other and an overnight trip to Camp Mundo Vista. The weekend services were conducted entirely in Russian.

"A Make Your Own Sundae" Ice Cream Social was held at Coats Baptist. At the gathering the children were given special sweatshirts, which said "Friends" in both English and Russian.

The children blended with their host families and their host church families. Many seeds were planted during these special six weeks.

On August 6th they made the trip back to Washington tearfully, joyfully, and overloaded with luggage. As the plane disappeared into the night all involved knew only God could have made this Belarussian Project so successful.

A closure banquet was held on August 21st recognizing the Host families, Steering Committee, and the professionals that assisted with the children. Each family was given a chance to share their experiences. There were tears and laughter shared as we walked through this memorable experience. Many seeds were sown and some were watered, but only God will now the harvest.

THE BIBLICAL RECORDER

The headlines each day - - Bosnia, O. J. Simpson, interest rates, tax overhaul, etc...often include Southern Baptists. The secular media shows special interest in our conflicts but all too often does not tell the whole story of the good things Baptists are doing, The Biblical Recorder tells the whole story, the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true for religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is better a Baptist; an uniformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information form reliable sources.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before. That is why the **RECORDER** was born; that is why it serves today.

ADVANCED NOTICE TO THE LITTLE RIVER BAPTIST ASSOCIATION OF THE ANNOUNCEMENT OF THE CAMPBELL UNIVERSITY DIVINITY SCHOOL

I come before you this evening on behalf of Campbell University. Dr. Jerry Wallace wanted to come to our meeting to make this announcement, but because of involvement in preparations for the event he has asked me to tell you about, he was unable to be here for this meeting. So as an alumnus of Campbell University, and as an adjunct member of the Religion Department faculty, I am honored to bring this news to you, the members of the Little River Baptist Association. Because of the historic tie and relationship between this association and Campbell University, the administration thinks it proper to share with this body in advance an announcement that will be made tomorrow.

In 1969, President Norman Wiggins appointed a committee to study the feasibility of establishing a program in graduate theological education for the training of ministers. At that time, the committee recommended that the school not make that step; the time did not seem right. When Dr. Jerry Wallace came to be Chairman of the Department of Religion and Philosophy in 1975, that study was revisited. But again. it was determined that the time was not right. In 1991, at the urging of alumni and friends, a feasibility study committee was once again appointed. After much prayer and listening to Baptists in North Carolina and beyond, an historic decision was reached.

Tomorrow morning, October 25, at the North Carolina Baptist Building in Cary, President Norman Wiggins will formally announce the establishment of the Campbell University Divinity School. This announcement will be made with the firm conviction that this is God's will and God's time, and with the commitment to serve the Lord and the Baptist churches of North Carolina and beyond. I believe that this announcement is an answer to prayer -- I know that ever since I was a student at Campbell, I have longed to see it, and have for some years now made it a matter of prayer. I believe that God is in this undertaking, perhaps the most important step that Campbell has ever taken in its service of God's kingdom, and that it will become a school for which we will be thankful, and in which we can take appropriate pride. May God's grace and blessings be upon it!

CHRISTIAN ACTION LEAGUE, INC.

This year has been a significant one for the Christian Action League of NC as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. *Legislative Issues:*

A. Alcohol The alcohol industry sought to implement state-wide Liquor-By-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery In the 1955 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

We praise the Lord for this victory and for the fact that NC remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front-line fighting this battle again in 1996.

C. Abortion The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will cut the abortion funding from $1.2 million to $50,000 and then to be used only in cases of rape or incest.

For many years we have been working for legislation requiring **Parental Consent** before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

D. Abstinence Education Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. *League Leadership*

Reverend Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light' in a world hostile to Biblical ethics and morality.

Respectfully Submitted By Joe S. Lennon
President of Christian Action League of NC. Inc.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

North Carolina Baptists are active in public life and affairs in our state, and the Council on Christian Life and Public Affairs of the Baptist State Convention has had a busy year working to help us exert a redemptive influence on the life of our state. In addition we help support the Christian Action League, which is an interdenominational group with trustees in all the counties of our state. Through the League we are able to exert our Christian influence in a more penetrating and effective way on the moral and social life of our state.

The Council, under the leadership of George Reed, and the League, under the direction of Coy Privette, have worked together in the struggle against beverage alcohol and other drugs, the continuing effort of certain persons to bring our state into the lottery business, and in many other areas of social problems and challenges. In these areas of public life we have had considerable success. Four lottery bills were introduced in the General Assembly, in both the House and the Senate, and all of them failed. Ours is the only state in the nation without any lotteries, for which we give due credit to our people.

In the area of abortion and the teaching of abstinence from sex until after marriage, legislation was passed requiring parental consent for minors to obtain an abortion, and the teaching of abstinence before marriage was required in our schools. We continue to work in the areas of World Hunger relief and in ministry to the aging and to single adults. We now have a department of Family Life and a ministry in the area of substance abuse. We are trying to be true to the teachings of Jesus in our public life and affairs. Our aim is to live so that we are, as Jesus said, "the salt of the earth and the light of the world."

Our efforts in these areas are well-publicized in the Biblical recorder, our state Baptist Journal, and in the programs that we promote through our Baptist State Convention. Let us remain alert to the insidious efforts to erode our moral fibre and stand tall on moral and social issues that continue to challenge us.

DISCIPLESHIP TRAINING

For over a year and a half, we have been praying, gathering information, receiving training, and planning in order to begin a support group ministry in the Little River Baptist Association. Please read the following two pages for more information about the LIFE Support Ministry.

The first support group will begin with a retreat on October 26-28. We have twelve people planning to participate in the retreat and support group (a mixture of ministers and church members).

Initial policy statements have been reviewed by the Associational Council and approved by the Executive Committee. The LIFE Support Ministry is accountable to the Discipleship Training Council. The ministry will be funded through retreat fees and contributions to the Scholarship Fund. All funds are received and disbursed through the Association account by the Treasurer.

The Discipleship Training Council has identified the following as priority needs in the Association:

1. Prayer training
2. Witness training
3. Family issues
4. Marriage helps
5. Identifying resource persons who can help sister churches in the Association in various ministries.

The LIFE Support Ministry will be an important part of helping families. This past spring, Mark Gaskins led a group of people from various churches in a study of 'In God's Presence', an excellent study on prayer by T. W. Hunt.

We hope in the next year to develop ministries in the above listed areas. We will need people who sense God's call to these types of ministries. Resources are available to help us; in particular, we have materials to help us begin a ministry of saving troubled marriages.

This is an invitation to pray with us for God to lead people in our churches to work with us in these ministries.

What is LIFE Support?

LIFE Support is a Christ-centered educational series of resources from the Sunday School Board of the SBC for use in discovery and support groups to provide Christian ministry and emotional support to individuals in areas of social, emotional, physical and spiritual needs. Issues dealt with include: hurtful family experiences, low self-worth, abuse recovery, grief recovery, divorce recovery, eating disorders, complusive behaviors, codependency, and chemcial dependency.

These groups are facilitator-directed, self-help groups that do not offer counseling or therapy. We want to provide a safe environement in which persons are supported and affirmed as deeply loved, totally accepted and whole in Jesus Christ by God's grace.

It is the position of this ministry that forgiveness and renewal of life are possible only through the grace and love of God in Jesus Christ. We depend on the Holy Spirit as our source of healing as He works in us and speaks to us through the Bible, prayer, and other Christians.

There are two types of groups: *Discovery Groups and Support Groups*

I. *Discovery Groups:* Information based studies that help people understand family-life and self-worth problems, and help them consider applications to their lives.

II. *Support Groups:* Groups which deal with particular personal issues. The group experience helps members gain awareness, understanding, and support (emotional, psychological, and spiritual) for dealing with personal issues. By growing in one's relationship with Jesus and looking to Him for healing and strength the group is encouraged.

There are three types of support groups:

1. *Encouragement and Accountability Support Groups:* Members encourage and support each other in progressing toward a personal goal. Examples: First Place: A Christ-Centered Health Program.

2. *Personal Issues Support Group:* Members share personal responses to issues and problems they face. The group provides a safe and loving place for personal and spiritual healing, growth, and recovery. Examples: Making Peace With Your Past Coping With The Losses Of Life.

3. *12 Step Support Groups:* A Christ-centerd adaptation of the 12 step recovery process in which members help each other progress in recovery from addictions. Examples: Conquering Chemical Dependency; Conquering Eating Disorders.

LITTLE RIVER BAPTIST ASSOCIATION
LIFE SUPPORT MINISTRY

The goal of the LIFE Support Ministry is to help the churches of the association to minister to people with emotional, physical, and spiritual needs with the love and healing power of Jesus Christ.

Components of the LRBA LIFE Support Mininstry initially will include the following:

1. Making Peace With Your Past Support Group
   The foundational support group experience will include the following:
   - A. Weekend retreat (Thursday evening through Saturday noon) led by licensed counselors for the purposes of:
     1. trust building and group bonding;
     2. information and then realization of personal need;
     3. seeing that other people have same/similar problems.
   - B. Weekly suport group meetings (for six months).
   - C. Daily personal study of Making Peace With Your Past Workbook.

NOTE: There will be a charge for the retreat. A scholarship fund is set up to help those who cannot afford the total fee.

2. Facilitator Training
   On-going, weekly training for those who sense God's leading to become a support group facilitator. These persons will be required to participate in a Making Peace With Your Past support group either prior to or simutaneous with the facilitator training. Training will be for at least six months before a person can facilitate a group, on-going training will be required for as long as a person facilitates a LRBA support group.

Facilitator training will be led by Rudy West, a licensed, professional counselor of Lillington.

After the Making Peace With Your Past support group, individuals may participate in another support group dealing with a specific type problem(ex. - abuse recovery, chemical dependency, etc.).

The LRBA LIFE Support Ministry will have support groups on the associational level which will be open to anyone. It is hoped that trained facilitators will begin new groups sponsored by their own churches. Policy guidelines adopted for the LRBA LIFE Support Ministry are to help ensure the quality, integrity, and confidentiality of the ministry, and the acountablility of facilitators to the association and their home churches.

REFERRALS - If it becomes evident during the retreat or the support group sessions that a person needs help beyond what the group can provide, that individual will be encouraged to seek professional, Christian counseling. We are developing a list of Christian counselors to use in making referrals.

Interim DOM & Executive Committee Report

This year of 1995 has not only been busy, but one of transition since our Director of Missions left in late spring. The New York Partnership involved many of our churches in both giving and receiving ministry. Working mission trips to the churches in the Adirondack Baptist Association of New York by groups from numerous churches in LRBA included youth activities, back-yard Bible schools, preaching, painting and work on church buildings. And, groups from the Adirondack Baptist Association came to a number of our churches to conduct the weekend studies from Experiencing God.

In the spring and summer there was a flurry of activity getting ready for, receiving and caring for the 15 children who came in the Belarussian Children Project. Without exception the reports from churches and host families were very positive. We owe a debt of gratitude to those churches and families who participated either as a host family or through a generous giving. And, our sincere thanks to doctors, dentists, nurses and others who gave their time and professional assistance to these children. **It was a blessing indeed!!!** And, from the reports we are ready to do it again!

The Search Committee for the Director of Missions is made up of Reverend Grover Blackburn (Chairman), Jo Lee, Reverend Jesse Mooney, Reverend Chris Wroten, David Heinzman, and Reverend Max Eller (ex-officio member as Moderator). This committee is working hard, praying much, and seeking the will of the Lord, as they wade through the stack of resumes in search of the person God is calling to this position. They are to be congratulated for their efforts to get feed-back from churches and individuals through a questionnaire and a dialogue at the September's Ministers Conference. Your input has been important in their thinking. I have attended meetings of the committee and can attest to the genuine and dedicated efforts of these five people.

The Hispanic Mission has been doing some significant ministries in their effort to reach the transient farm laborers, and other more permanent Hispanic families. J. T. Mercado, the pastor, is bi-vocational, and doing a great job. I hope you will call on some of the willing Council members to come to your church to familiarize you with the ministry they are performing. They deeply appreciate the volunteers who assist, your contributions and your prayers.

We have had many new pastors to come into the Association during the year, and from all reports are well received by the churches to which they were called. These new pastors will be introduced at the Annual Association Meeting in October.

The Executive Committee has been meeting on a quarterly basis, with an extra meeting here and there to take care of business.

My deepest thanks to you for your support and prayers for me as moderator and interim DOM.

In Memoriam

Proverbs 10:7 records, "The memory of the just is blessed..." (KJV). Henrik Ibsen the Norwegian author, in his book *The House of Rosmersholm* tells of a rector who is dangerously tempted to do evil, but each time he is at the point of yielding, he looks at the portraits of his godly ancestors which hang on the wall of his home. Each speaks a word holding him back.

Those who leave a good reputation behind when they die are a blessing to those of us who come behind them, for they create something which enriches ongoing life. The memory of their devotion and deeds of loving service inspires us to keep the faith that has been delivered to us.

Now, as we pause to remember our departed brothers and sisters let us not only give thanks to God for their devotion and deeds of ministry, let us determine to build new memories of loving service and devotion to our Heavenly Father.

MISION HISPANA BAUTISTA DE BUIES CREEK
SPANISH MISSION REPORT 1995

The Spanish Mission originally started in January of 1995. We are holding 3 to 4 services per month. There are times we do not have worship services. Instead, we either play soccer, or just sit and talk about the Mission and Mexico. These are great times for building rapport and fellowship, as well as opportunities for personal witnessing.

The Mission is sponsored by different churches and means: Home Mission Board, Baptist State Convention, Coats Baptist Church, Little River Baptist Association, and other supporting churches such as Swanns Station, who give direct support through the Council on Hispanic Ministries of the Little River Baptist Association.

The Mission is holding **English as a Second Language (ESL)** classes for those who are interested in learning to speak and understand English better. Our text is *English Lessons from the Bible: Book of Mark by Glenda Resse.* The classes starts around 7pm on Sunday, followed by Worship Service at 8pm. Our ESL instructor throughout the year have been: **Lead Teacher - Nancy Blackmon of Swanns Station Baptist Church, Assistant Teacher - Jinx Averitte of Lillington Baptist Church, and Cathy Mercado as Nursey worker of Coats Baptist Church.**

We were able to start a van ministry with the following assisting at different times: Director Scott Avery [Antioch Baptist], Kimry Gardner [Coats Baptist], Bob Hedrick [Coats Baptist], Jimmy Allen [Coats Baptist], Cathy Mercado [Coats Baptist], J.T. Mercado [Pastor], Jinx Averitte [Lillington Baptist], and Nancy Blackmon [Swanns Station].

This is our second annual Spanish Fiesta. Last year we weren't able to have trophies or sports tournaments. This year we went all out. Our Fiesta included an annual soccer competition with the Coats Baptist Youth, soccer tournament among the congregation, 3-on-3 basketball, volleyball, water balloon toss, watermelon-eating contest, water melon seed-spitting contest, pinata for the kids, and our menu was out of this world good. We would like to give a *Special Thanks to Cathy Mercado* who cooked over a hot grill 2 Sundays in a row. There were trophies and ribbons given out for all events, first through third place. I feel in my heart that this year was the best year yet!

We encounter people from all walks of life, from Mexico all the way to Puerto Rico. Some of these folks are homeless and/or without food. One major accomplishment this year was starting a food pantry for the needy. There have been numerous people we have helped, little bellies we have filled. We have painted the outside of the church, and redone the floors of the rooms in the church. We also have an address and phone number to our mission. **Mision Hispana Bautista De Buies Creek 1535 Boykin Road Buies Creek, NC 27506, church number is 910-893-5756.**

On August 20th of this year we were fortunate enough to have the North Carolina Baptists Men's Medical/Dental Van come to our Mission. We were able to see about 20 patients. Also, while they waited to be seen, they watched the JESUS video in Spanish, which shows Jesus's life and ministry from the gospel of Luke. I can't say how much our people really appreciate all the help and the love showed on this day. There are times for man but to glorify God.

We are growing and because of it, we need more vechiles such as vans, and more drivers. There are many Sundays that we couldn't drive a van because they were being used by their churches, so we had to drive our personal vechiles. We need to start early this year coming up, to get the support we need.

This year 3 people have made a profession of faith, and 2 were baptized. There calling is to be Preachers, and assist the Pastor of the Mission here in Buies Creek. Julio Maximo Leon and Ismael Linares - these 2 men's lives will be changed because of the support they received in the last four years, here in the Spanish Mission of Buies Creek. I'd like to thank all the people that planted or watered the seeds for these mission. The person I'd like to thank the most, is our Lord and Savior, Jesus Christ. To God be the glory.

Report Of The Seminary Extension Committee

We are still known as The Little River Baptist Association for Christian Learning. By the time of the Annual Meeting, the Seminary Extension Committee will have met to formulate some interesting plans and set a time to get them into action. The help of the pastors in the association will be vitally needed in this kingdom matter. "Study to show thyself approved unto God, a workman that needth not to be ashamed, rightly dividing the word of truth." (II Timothy 2:15)

World Mission Report

Ten thousand new churches are needed in the South! Perhaps you would respond to such a statement with a shrug of your shoulders and the often repeated statement "we don't need any more churches, we need to 'bury with dignity' some of the churches we have."

However, the facts show that the South is less Baptist and less Christian in 1993 than it was in 1970. If this is true of the so-called "Bible Belt," it is more true of the rest of our country. Not only that, but the rest of the world is moving into predominantly white, Baptist areas of our South and bringing a whole new dimension to the outreach ministry of the established white, Baptist church. In Clarkton, Georgia, there are people from 26 nations living in a typically small Southern town, and the Baptist church has gone from an Anglo-congregation to a multi-cultural congregation.

Through its 21 programs of work and support ministries, the Home Mission Board is seeking to lead in reaching out to new comers to every part of our nation - to build new churches or to help state and associational missions departments build new churches - to encourage existing churches to minister to those around them of all races and color.

To do this the Home Mission Board, through offerings and gifts from Southern Baptist Churches, supports 725 home missionaries, 503 missionary associations, 81 apprentice missionaries, 100 U.S. 2'ers, 484 mission pastors, 1,813 field personnel, 108 state staff, and 1,099 mission service corps personnel - a total of 4,913.

To support its work for the 1993-94 year, the Home Mission Board received $27,803,502 in Cooperative Program funds, $37,177,516 through the Annie Armstrong Easter Offering, $1,261,676 in Hunger - Relief Funds, and $1,710,863 in special designated funds.

Goals for 1995, which is the sesquicentennial year for the Southern Baptist Convention, include starting 1,995 churches - challenging each Southern Baptist to witness to at least one person every day for 60 days, joining with the Foreigm Mission Board in reaching the largest mission offering goals of $150,000,000 in our 150th year; Fifty million through the Annie Armstrong Easter Offering and one hundred million through the Lottie Moon Christmas Offering.

As we look at the report from the Foreign Mission Board, we see a report that is encouraging and challenging. The Board's main objective is presenting the gospel of Jesus Christ and leading individuals to a personal faith in Him. Ministries in Christian Leadership Training, Print and Electronic Media, and Church Starting, support that goal. But a conviction to minister to the whole person also leads to work in health care and human needs.

The report shows record growth overseas - with more than 302,000 persons baptized. The Cooperative services International arm of the Foreign Mission Board which ministers quietly to people in "World A," the unevangelized world locked behind political, religious, and cultural barriers, reported 3,809 baptisms.

For the first time in history, the total of missionaries serving overseas topped the 4,000 mark; these missionaries serving in 133 countries.

Other increases reported are the following: more than 13,000 Southern Baptists went overseas as short-term volunteers; 290 Southern Baptists served terms of two years or more; mission work was begun in 370 new cities; the number of new churches increased by more than 7%; more than 33,000 students, many of them median adults, were enrolled in theological education.

The year ending December 31, 1994 showed $70,670,000 received from Southern Baptist churches through the Cooperative Program, $83,334,000 from the Lottie Moon Christmas Offering; $46,650 received for Hunger and Disaster Relief; and $4,874,000 for other uses, making a grand total of $169,775,000. This was an increase of over three million from the 1993 offerings and gifts. The overseas budget is 87% of all monies received, with the largest percentage of 80% going for missionary support.

As essential as the monetary gifts are, even more essential are the prayers for those who serve both at home and abroad. In 1986 the Home Mission Board and the Foreign Mission Board established Prayer Lines with 800 numbers so the caller could get an up-to-date prayer request for a specific need.

The Foreign Mission Board now has CompassionNet, a worldwide electronics Network with SBCNet, the Southern Baptist Computer Network.

In his statement included in the 1993-94 report, Dr. Jerry Rankin, president of the Foreign Mission Board expressed his gratitude to the continued support from Southern Baptists for worldwide missions. Dr. Rankin stated, "The Foreign Mission Board wants to be seen as a facilitator, a mobilizer, a coordinator for the convention as Southern Baptists are obedient to God in international missions efforts."

Constitution and Bylaws

Little River Baptist Association

PREAMBLE

ARTICLE I — NAME

The name of this body shall be the Little River Baptist Association.

ARTICLE II — PURPOSE

The purpose of this Association shall be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our associational programs, the work of the North Carolina Baptist State Convention and the Southern Baptist Convention, to the end that the Gospel of our Lord and Savior, Jesus Christ, might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

ARTICLE III — OBJECTIVES

1. To provide programs, projects and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.

2. To discover needs which cannot be met effectively by any one church and to coordinate the use of associational resources in meeting these needs.

3. To involve churches in cooperative experiences in evangelism, mission education, and benevolences.

ARTICLE IV — AUTHORITY

This Association is a self-determining body under the lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it. However, the Association may, upon invitation from a church, counsel with that church.

ARTICLE V — MEMBERSHIP

Section 1. The Association shall consist of messengers who are members of the affiliated churches as follows: (1) Officers of the Association; (2) Pastors of the member churches; and (3) the duly elected messengers of these churches on the basis of: five messengers from each church with 100 members or less, and one additional messenger for every 100 members or fraction thereof beyond the first 100 members; but, no church may have more than ten (10) messengers plus the pastor of respective church.

Section 2. A quorum shall consist of messengers from at least 50 percent of the member churches.

Section 3. Voting shall be limited to duly elected messengers or their alternates as certified in the Uniform Church Letter.

Section 4. Policy for the Establishment of Missions

1. There are three recognized groups that may begin a new mission work in new areas:
   a. A Church affiliated with the association.
   b. The Missions Development Committee.
   c. Any interested group of cooperating Little River Baptists.

2. Any Baptist group wishing to organize a mission shall first advise the Director of Missions and the Missions Development Committee of their intent.

3. It shall be the duty of the Missions Development Committee to offer their services to any sponsoring agency anticipating new mission work.

4. When necessary, the Missions Development Committee will assist the mission in finding a sponsoring L.R.B.A. Church. If the committee is unable to find a sponsoring Church, the committee may serve as the sponsoring agency.
